STATEMENT OF PURPOSE

RS19848

This legislation sets the compensation for the state elected officials for the next four years commencing the first Monday of January, 2011.

FISCAL NOTE

There will be a four percent (4%) reduction in state elected officials' pay for 2011 and restores the compensation in 2012 to the 2010 level. For 2013 and 2014 it sets the Governor's compensation and gives each of the other state elected officials a percentage based on the Governor's compensation for those two years.
