PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 21, 2015.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The Commission intends to proceed with implementation of EDI Claims Release 3.0 ("EDI"), a secured, electronic interchange of documents that would allow the submission of all relative worker's compensation claims information be reported electronically to the Commission. EDI would alleviate the repetitive data entry and bring increased productivity in its claims and benefits department that would result in less paper being generated at the agency.

The proposed rule amendment defines a Claims Administrator who adjusts workers' compensation claims in the state of Idaho; and clarifies the adjuster is a resident of Idaho. The proposed rule amendment would also clarify the reports by Claims Administrators to the Commission.

The rule amendment would be necessary to comply with EDI rules; and "mirrors" the proposed amendments of 17.02.10.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

There is no fiscal impact.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking:

There is no negative fiscal impact.
