

## **STATEMENT OF PURPOSE**

### **RS24050C1**

The proposed legislation will change the name of the Idaho Bureau of Homeland Security to the Idaho Office of Emergency Management. The public often confuses the Idaho Bureau of Homeland Security with the United States Department of Homeland Security. The name change would likely curb this confusion and more accurately reflect the mission of the Bureau.

### **FISCAL NOTE**

There will be minimal fiscal impact. The agency will have to change its letterhead, email addresses, and other identifiers to reflect the new name.
