12 Be It Enacted by the Legislature of the State of Idaho:

13 SECTION 1. That Section 67-4725, Idaho Code, be, and the same is hereby
14 amended to read as follows:

15 67-4725. IDAHO GLOBAL ENTREPRENEURIAL MISSION GRANT FUND. There is
16 hereby created in the state treasury the Idaho global entrepreneurial mis-
17 sion grant fund hereafter known as the IGEM grant fund. Moneys in the fund
18 shall consist of funds received pursuant to ~~section 49-416C, Idaho Code,~~
19 from state appropriated general funds, commercialization revenues from
20 state IGEM projects, grants, federal moneys, donations or funds from any
21 other source. Moneys in the fund may be expended pursuant to appropriation.
22 The fund balance in the fund may be appropriated annually to the department
23 of commerce for the purpose of supporting the IGEM grants. The treasurer
24 shall invest all idle moneys in the fund. Any interest earned on the invest-
25 ment of idle moneys shall be returned to the fund.

26 SECTION 2. That Section 67-4726, Idaho Code, be, and the same is hereby
27 amended to read as follows:

28 67-4726. IDAHO GLOBAL ENTREPRENEURIAL MISSION COUNCIL -- APPOINTMENT
29 OF MEMBERS -- QUALIFICATIONS. (1) The state of Idaho recognizes that the
30 health and expansion of Idaho's future economy will depend upon taking full
31 advantage of research and technology, and that Idaho has impressive re-
32 sources for innovation-based growth, internationally recognized university
33 research programs, globally competitive innovation companies and the Idaho
34 national laboratory.

35 The IGEM council is hereby created to advise the department of com-
36 merce, the state board of education, state colleges and universities, and
37 other state, local, federal and private sector agencies and organizations
38 on innovation interests and potentials; to support the development and
39 publishing of information on the condition and importance of innovation to
40 the state's economy; to assist with the development and implementation of a

1 state strategic plan for innovation; and to assist with the coordination of
 2 local, state and federal interests to increase the positive economic impact
 3 of the state's innovation resources.

4 (2) The council shall be appointed by and serve at the pleasure of the
 5 governor. Membership of the council shall include individuals knowledge-
 6 able and experienced in innovation issues. The council shall include: four
 7 (4) representatives from the private sector who have expertise in the trans-
 8 fer and commercialization of technology, the director of the department of
 9 commerce, one (1) member of the state board of education, one (1) represen-
 10 tative from the Idaho national laboratory or the center for advanced energy
 11 studies, and one (1) representative each from Boise state university, Idaho
 12 state university, and the university of Idaho. The president pro tempore
 13 of the senate and the speaker of the house of representatives, or their de-
 14 signees, shall serve as members of the council. The governor shall designate
 15 a chairman from the council's private-sector membership (unless otherwise
 16 specified at the governor's discretion) and the council shall designate such
 17 other officers from its membership as it deems necessary. The chairman, the
 18 director of the department of commerce and the state board of education mem-
 19 ber of the council shall serve as the executive committee of the council. The
 20 council shall be staffed and supported by the department of commerce. Mem-
 21 bers of the council who are not state employees shall be compensated for ac-
 22 tual and necessary expenses as provided by section 59-509 (b), Idaho Code.

23 SECTION 3. That Section 67-4729, Idaho Code, be, and the same is hereby
 24 amended to read as follows:

 26 BILITIES. (1) The department of commerce in conjunction with the IGEM coun-
 27 cil shall:

28 (a) Ensure that IGEM funds appropriated to the department of commerce
 29 and received for research and development at the universities and for
 30 the technology outreach program are used appropriately, effectively
 31 and efficiently in accordance with the intent of the legislature;

32 (b) In conjunction with the IGEM research institutions and the pri-
 33 vate sector, evaluate best practices utilized by successful technology
 34 transfer programs and make recommendations to the IGEM research insti-
 35 tutions for transaction and legal structures that incorporate those
 36 best practices;

37 (c) Enhance technology transfer and commercialization of research and
 38 technologies developed at the universities to create high-quality jobs
 39 and new industries in the private sector in Idaho;

40 (d) In conjunction with the university research departments and the
 41 private sector, develop a standardized process for the transfer of in-
 42 tellectual property from all IGEM-funded research projects and for the
 43 IGEM grant awards;

44 (e) Establish economic development objectives for each IGEM state-
 45 funded project;

46 (f) Establish rules for the IGEM grant program, including weighted con-
 47 sideration for Idaho-based entities industry partners and a matching
 48 requirement, monetary or otherwise, for recipients of the awards;

1 (g) Verify that the IGEM project is being enhanced by research grants
2 and that it is meeting the economic development objectives of the de-
3 partment of commerce and the IGEM council;

4 (h) Monitor all research plans that are part of the project at the re-
5 search universities to determine that appropriations are being spent in
6 accordance with legislative intent and to measure the benefit and re-
7 turn to the state;

8 (i) Develop methods and incentives to encourage investment in and con-
9 tributions to the IGEM project from the private sector; and

10 (j) Annually report and make recommendations to:

11 (i) The governor;

12 (ii) The joint finance-appropriations committee;

13 (iii) The house and senate commerce and human resource commit-
14 tees; and

15 (iv) The office of the state board of education.

16 (2) The department of commerce and the Idaho global entrepreneurial
17 mission council may:

18 (a) In addition to moneys received by it from the legislature, receive
19 contributions from any source in the form of money, property, labor or
20 other things of value for the project;

21 (b) Subject to any restrictions imposed by the donation, appropria-
22 tions or bond authorizations, allocate moneys received by it among the
23 universities, the technology outreach program and technology transfer
24 offices to support commercialization and technology transfer to the
25 private sector; or

26 (c) Enter into agreements necessary to obtain private ~~equity~~ invest-
27 ment in the project.
