

## STATEMENT OF PURPOSE

### RS24215

The purpose of this legislation is to allow surviving spouses of American heroes to continue to honor their loved ones' service to our nation by expanding their eligibility to display veteran's license plates. By doing so, this legislation also recognizes the special and invaluable contributions that service spouses make to our nation, their veterans, and military service.

### FISCAL NOTE

No Fiscal Impact. Specialty license plate costs are self-supported through fees.
