

## STATEMENT OF PURPOSE

### RS24502

This legislation provides a technical correction to legislation signed into law during the 2015 Session (H298). The statutory change created a reimbursement methodology for services provided to an adolescent by a private, freestanding mental health facility. The reimbursement methodology is being clarified to reflect the intent of the original legislation. This is necessary for the correct reimbursement to be made.

### FISCAL NOTE

The total fiscal impact of this legislation is \$834,800, of which \$250,400 (30%) is General Funds and \$584,400 (70%) is federal funds. This legislation does not impact or involve County budgets.
