

STATEMENT OF PURPOSE

RS24455C1

The proposed legislation establishes the State of Idaho's bail arrest empowerment requirements, documentation, procedures and penalties. It defines the term bail enforcement agent and establishes requirements for who may be empowered to become a bail enforcement agent and lists the required items and information that must be possessed by a bail enforcement agent. The proposed legislation requires a bail enforcement agent to wear clothing identifying himself as a bail enforcement agent during the forced entry of a building. It addresses certain procedures a bail enforcement agent may not engage in while arresting a defendant, and establishes civil and criminal penalties for violating the act.

FISCAL NOTE

There is no fiscal impact to the General Fund.
