IDAPA 16.07.15 - Behavioral Health Programs - Proposed Rule (Docket No. 16-0715-1701)

IDAPA 16.07.50 - Minimum Standards for Nonhospital, Medically-Monitored Detoxification/Mental Health Diversion Units - Proposed Rule (Docket No. 16-0750-1701)

The Department of Health and Welfare submits notice of proposed rulemaking at IDAPA 16.06.01, 16.07.15, 16.07.17, 16.07.30, 16.07.33, and 16.07.50.

16.06.01

This rule concerns Title IV-E funding for children in foster care. Title IV-E funds are granted by the federal government for the care and supervision of foster children, for administrative costs to manage the foster care program, for training of staff and foster care providers, for recruitment of foster parents and for costs related to the design, implementation and operation of a statewide data collection system. Funds are made available only if the state complies with Title IV-E requirements. These changes to the rule are being made to ensure such compliance.

Negotiated rulemaking was not conducted due to the nature of the rule change, which is to align state rules with federal law and regulations. There is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to several sections of the Idaho Code, including Section 16-1629, which grants authority to administer the foster care system to the Department.

16.07.15

This rule clarifies that a person applying to serve as a peer support specialist, family support partner, or recovery coach in behavioral health programs may request a waiver of a criminal history and background check

denial. Waivers may be granted on a case-by-case basis but will not be granted for individuals with a history of murder, sex crimes, or any felony punishable by death or life imprisonment.

Negotiated rulemaking was not conducted, as the revisions are being made for purposes of clarity. There is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to several parts of the Idaho Code, including chapter 31, title 39, which grants authority to administer behavioral health programs to the Department. In that chapter, Section 39-3140 authorizes the promulgation of rules.

16.07.17

This rule requires providers of substance use disorder recovery support services to get a criminal history and background check and also allows those seeking to provide services as a peer support specialist, family support partner, or recovery coach to apply for a waiver, as described in 16.07.15 above. This language was inadvertently removed in a rules revision last year.

Negotiated rulemaking was not conducted due to the nature of the rule change; however, providers and other affected parties have requested that this language be reinstated. There is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to chapter 31, title 39, Idaho Code, which grants authority to administer behavioral health programs, including substance use disorder programs, to the Department. Section 39-3140 in that chapter authorizes the promulgation of rules.

16.07.30

This rule removes redundant language and clarifies who may apply for a waiver under 16.07.15 above. Negotiated rulemaking was not conducted due to the nature of the rule change, and there is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to several parts of the Idaho Code, including chapter 31, title 39, which grants authority to administer behavioral health programs to the Department. In that chapter, Section 39-3140 authorizes the promulgation of rules.

16.07.33

As with 16.07.30 above, this rule removes redundant language and clarifies who may apply for a waiver under 16.07.15 above. Negotiated rulemaking was not conducted due to the nature of the rule change, and there is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to several sections of the Idaho Code.

16.07.50

This rule adds reference language to 16.07.15 above in order to clarify who may apply for a waiver. Negotiated rulemaking was not conducted due to the nature of the rule change, and there is no anticipated negative fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to chapter 3, title 39, Idaho Code, which grants authority to establish alcohol and drug detoxification programs to the Department. That chapter includes Section 39-311, which authorizes the promulgation of rules.

THE FOLLOWING IS THE PROPOSED TEXT OF DOCKET NO. 16-0601-1702
(Only Those Sections With Amendments Are Shown.)

425. ~~AID TO FAMILIES WITH DEPENDENT CHILDREN -- FOSTER CARE (AFDC-FC)~~ TITLE IV-E ELIGIBILITY.

~~A child is eligible for Aid To Families With Dependent Children Foster Care (AFDC-FC) if the child would have been eligible to receive AFDC aid payments except that he was removed, by court order, from the home of a parent(s) or other caretaker relative(s) and placed in foster care. AFDC-FC is also available to eligible children voluntarily placed in foster care by a parent(s). The caretaker relative(s) is the relative(s) who exercises day-to-day physical custody of the child prior to the court action or voluntary placement. The child may qualify for AFDC payments as a child living with a relative. Eligibility for AFDC-FC is determined by Family and Community Services. The state will claim Title IV-E funding for a foster child who meets the following criteria:~~ (4-6-05)()

01. Physical or Constructive Removal of the Child. The child was physically or constructively removed from the home: ()

a. Under a voluntary placement agreement; or ()

b. As the result of a judicial determination that: ()

i. Remaining in the home would be contrary to the child's welfare; or ()

ii. Placement in foster care would be in the best interest of the child. ()

c. The determination that a situation is contrary to the child's welfare must be made in the first court ruling that sanctions, even temporarily, the removal of a child from the home. ()

02. Child's Residence. The child has been living in the home of a parent or other relative specified at 45 CFR 233.90(c)(1)(v) either in the month of, or within six (6) months prior to the month: ()

a. Removal court proceedings were initiated; or ()

b. The voluntary placement agreement was signed. ()

03. AFDC Eligibility. The child was AFDC (Aid to Families with Dependent Children) eligible in the removal home during the month of the initiation of court proceedings that initiated the removal or the month the voluntary placement agreement is signed. AFDC eligibility is based upon the standards found in the State's IV-A Plan on July 16, 1996. ()

04. "Removal From" and "Living With" Requirements. The "removal from" (01. of this rule) and "living with" (02. of this rule) requirements must be satisfied by the same specified relative who meets AFDC eligibility (03. of this rule). ()

05. Judicial Determination. A judicial determination was obtained regarding reasonable efforts to prevent a child’s removal from the home no later than sixty (60) days from the child’s foster care entry date. When there is a judicial determination of “aggravated circumstances,” the court order must state that no reasonable efforts to reunify the family are required. ()

06. Agency with Placement Care and Responsibility. The IV-E agency, or another public agency or Tribe that has a plan approved under 42 U.S.C. 671 in accordance with 42 U.S.C. 679c with which the Title IV-E agency has a written agreement in effect, has placement and care responsibility. ()

07. Child in Foster Care or Childcare Institution. The child is in a fully licensed or approved foster family home, or childcare institution. ()

08. Compliance with Safety Requirements. Compliance with the safety requirements was documented for the prospective foster family home or childcare institution. ()

09. Child’s Age. The child is under the age of eighteen (18), or up to age nineteen (19) if the youth is a full-time student in a secondary school or its equivalent level of vocational or technical training and is expected to complete the educational program before reaching age nineteen (19). ()

10. Child’s Citizenship Status. The child is a US citizen or qualified immigrant under Sections 403, 431, and 432 of the Personal Responsibility Work Opportunity Reconciliation Act (P.L. 104-193). ()

426. AFDC-FC ELIGIBILITY REQUIREMENTS. (RESERVED)

A child is eligible for AFDC-FC if he meets each of the eligibility requirements listed in Table 426.

AFDC-FC ELIGIBILITY REQUIREMENTS—TABLE 426	
CONDITION	DESCRIPTION
01. <u>Financial Need.</u>	<i>A child is in financial need if, in the month court action to remove him from his home was initiated, or the month the voluntary out-of-home placement agreement is signed: He was receiving AFDC; He would have been eligible to receive AFDC if an application had been filed on his behalf; or He lived with his parent(s) or other caretaker relative(s) at some time within six (6) prior months and would have qualified for AFDC in the month of court action or voluntary placement if an application had been filed and he lived with a parent(s) or other specified relative(s) in that month.</i>
02. <u>Voluntary Placement in Foster Home or Voluntary Relinquishment.</u>	<i>A foster care placement is voluntary if the parent(s) has a written voluntary services agreement with the Department to place the child in foster care. The parent retains parental rights and may terminate the agreement at any time. A voluntary relinquishment is not a voluntary placement. A voluntary relinquishment occurs when parent(s) permanently gives up rights to a child. A court order is required for a voluntarily relinquished child to qualify for AFDC-FC.</i>
03. <u>Age, Residence, Citizenship, and Deprivation.</u>	<i>The other AFDC requirements the child must meet are: Age; Residence; Citizenship; Deprivation; and The AFDC resource limit.</i>

AFDC-FC ELIGIBILITY REQUIREMENTS—TABLE 426	
CONDITION	DESCRIPTION
04. Court-Ordered Removal.	<p>A child not voluntarily placed must have been removed from the parent(s) or other caretaker relative(s) by court order.</p> <p>The initial court order must state remaining in the home would be “contrary to the welfare” of the child.</p> <p>For children removed on or after October 1, 1983, the court order must include a determination that reasonable efforts were made to prevent or eliminate the need for removal of the child. This judicial determination must be made within sixty (60) days of removal of the child from his home.</p> <p>The court order must state what reasonable efforts were made considering the family’s circumstances and the safety of the child when the child is removed from the home in an emergency.</p> <p>When there is a judicial determination of Aggravated Circumstances, the court order must state that no reasonable efforts to reunify the family are required.</p>
06. Custody and Placement.	<p>The child’s placement and care are the Department’s responsibility. The child must live in a licensed foster home, licensed institution, licensed group home, or in a licensed relative’s home.</p>

(5-8-09)

427. DETERMINATION OF ELIGIBILITY FOR ADC-FC TITLE IV-E.

The family services workers must ~~initiate~~ **submit** an application to ~~ensure that eligibility for ADC-FC is made, or that the child is clearly ineligible because of family resources. The worker must maintain documentation of the eligibility determination or ineligibility in the case record of the child, and arrangements for parental support~~ **the Child Welfare Funding Team to evaluate for Title IV-E eligibility.** If the child is ineligible for AFDC-FC Title IV-E, the ~~family services worker must~~ **Child Welfare Funding Team will** determine whether the child qualifies for Medicaid as a Title XIX foster child. (5-8-09)(____)

428. CUSTODY AND PLACEMENT.

~~The child’s placement and care are the Department’s responsibility. The child must live in a licensed foster home, licensed institution, licensed group home, or in a licensed relative’s home.~~ (3-30-01)

01. Interstate Placements. In interstate placements, a child may be placed with an approved unlicensed relative when delaying the placement would be harmful to the child’s well-being. In those cases, a subsequent request for foster care licensure will be made through the Interstate Compact on the Placement of Children. However, in these instances, a child is ineligible for Title IV-E until the placement is licensed. (3-30-07)(____)

02. Intrastate Placements That Become Interstate Placements. If a foster care placement that was initially intrastate becomes an interstate placement because the family with whom the child is placed relocates to another state, a request for foster care licensure will be made through the Interstate Compact on the Placement of Children immediately upon the decision to move the child. If the state to which the family has moved accepts the family’s Idaho foster care license as effective, the placement is considered licensed until a determination is made that the family is in compliance with the licensing and other applicable laws of the state to which the family has moved. (3-30-07)

429. EFFECTIVE DATE.

~~AFDC-FC eligibility can~~ **Claims for Title VI-E maintenance may** begin as early as the first day of **placement in** the month **in which** all **initial Title VI-E** eligibility factors are met, ~~with the following exceptions:~~ A child cannot receive ~~AFDC and AFDC-FC or SSI and AFDC-FC in the same month; and AFDC-FC cannot begin until the month after the last month the child’s needs were included in an AFDC grant or the child received SSI~~ **Title IV-E foster maintenance payments during the same time period.** (3-30-01)(____)

430. ONGOING ELIGIBILITY.

To continue eligibility for ~~AFDC-FC~~ Title IV-E, a child must meet ~~each of the eligibility~~ the following conditions listed in ~~Table 430.~~

CONTINUING ELIGIBILITY CONDITIONS, TABLE 430	
CONDITION	DESCRIPTION
01. Financial Need.	The child's own income, after any applicable AFDC income exclusions and disregards, must not exceed the foster care need standard established for him by the Department.
02. AFDC Factors.	The child must continue to meet the following AFDC eligibility factors: Age; Residence; Citizenship; Resource limits; and Deprivation. (A child who has been removed from the home of a caretaker relative who is not his parent, meets the deprivation requirement without review.)
03. Ongoing Custody and Placement.	The child must remain in the Department's custody through either a current court order or a voluntary placement agreement that has not been in effect more than one hundred and eighty (180) days. They must continue to live in a licensed foster home, licensed institution, licensed group home, or a licensed relative's home.
04. Redetermination.	<p>The child's eligibility for AFDC-FC must be redetermined at least once every six (6) months.</p> <p>A redetermination, rather than an initial eligibility determination, is used for a child who left foster care, was placed in a non-AFDC-FC living situation such as a hospital or detention center, did not return home, remained in the Department's custody throughout his absence, and returned to foster care. Any return home other than a visit requires a new judicial determination or a new agreement and a new determination of eligibility based on current circumstances.</p> <p>Annual Review: An annual redetermination is required to assure that the court has determined that the Department has made reasonable efforts to finalize a permanent plan for the child. This is done at the Permanency Hearing held every twelve (12) months from the date of removal until the child is either adopted or placed in legal guardianship.</p> <p>The foster care payment standard is also the child's eligibility income limit for determining continued eligibility for AFDC-FC.</p>
05. Other Eligibility Considerations.	<p>The following must be considered for AFDC-FC eligibility:</p> <p>A child's eligibility does not depend on the availability of a home to which he can return;</p> <p>The Department must provide services designed to allow the child to return home, where not possible, the family's worker must aggressively pursue other permanent options for the child;</p> <p>A child receiving AFDC-FC who becomes available for adoption, remains eligible to receive AFDC-FC until he is legally adopted. The child must otherwise qualify for AFDC-FC;</p> <p>The child must not receive AFDC-FC and SSI, or AFDC-FC and AFDC, in the same month.</p>

(4-6-05)

01. Child's Age. The child is under the age of eighteen (18), or up to age nineteen (19) if the youth is a

full-time student in a secondary school or its equivalent level of vocational or technical training and is expected to complete the educational program before reaching age nineteen (19). ()

02. Department Custody. The child must remain in the Department's custody through either a current court order or a voluntary placement agreement that has not been in effect more than one hundred and eighty (180) days. ()

03. Child's Residence. They must continue to live in a licensed foster home, licensed institution, licensed group home, a licensed relative's home, or with a specified relative during a court-ordered home visit. ()

04. Redetermination. A redetermination is used for a child who: ()

a. Left foster care; ()

b. Was placed in a Title IV-E ineligible living situation such as: unlicensed placement, a hospital, or a detention center; ()

c. Exceeded one hundred eighty (180) days in a voluntary placement agreement in which there was no judicial determination of "best interests." The child's Title IV-E eligibility ceases on the 181st day; and ()

d. Is on a home visit that exceeds the time specified in the court order signed by the Judge without a new judicial determination granting an extension. ()

05. Annual Redetermination. Annual redetermination is required to assure that the court has determined that the Department has made reasonable efforts to finalize a permanency plan for the child within twelve (12) months of the date the child is considered to have entered foster care and at least once every twelve (12) months thereafter while the child is in foster care. ()

431. AFDC-FC AND SSI ELIGIBILITY. (RESERVED)

~~When a child is eligible for both AFDC-FC and SSI, the caretaker relative(s) or the family services worker, in consultation with the child's family, must choose the type of payment the child will receive.~~ (5-3-03)

432. TITLE XIX FOSTER CHILD.

~~A foster child residing in a foster home, children's agency or children's institution approved by the Department is eligible for Title XIX Medicaid if he satisfies all of the following conditions: For Title XIX Medicaid eligibility for a foster child, please refer to IDAPA 16.03.01, "Eligibility for Health Care Assistance for Families and Children," Section 536.~~ (5-8-09)()

~~**b.** He is not a recipient of AFDC-FC or SSI;~~ (3-30-01)

~~**c.** A Departmental program other than the Medical Assistance or Welfare Programs has assumed full or partial financial responsibility for him;~~ (3-30-01)

~~**d.** His countable resources do not exceed the AFDC resource limit. In addition to the AFDC resource exclusions, the child may have an additional amount up to five thousand dollars (\$5,000) excluded if held in trust for him;~~ (3-30-01)

~~**e.** After applying the applicable AFDC income exclusions and earned income disregards, an additional income disregard of seventy dollars (\$70) is deducted; and~~ (3-30-01)

~~**f.** Total income must not exceed two hundred thirteen dollars (\$213) monthly.~~ (3-30-01)

~~02. Ongoing Eligibility. If a foster child is determined eligible to receive Title XIX Medicaid, the following provisions apply. (3-30-01)~~

~~a. His eligibility must be redetermined at least once every six (6) months. (3-30-01)~~

~~b. His eligibility must cease and other funding sources for medical care must be utilized if the foster home's license is revoked or expires and an application for license renewal is not on file, or if the child returns to his own home even if the Department retains legal custody of such child. (3-30-01)~~

~~03. Hospitalized Foster Child. Where a child who is otherwise eligible for Title XIX Medicaid as a foster child is placed in a hospital prior to being physically placed in foster care, the child is considered to be living in a licensed foster care situation if the regional team appointed to review hospitalization of foster children certified in writing that the plan for the child is to place him in foster care immediately upon discharge from the hospital. The certification must include the estimated date on which the child will enter foster care. (3-30-01)~~

433. INCOME, BENEFITS AND SAVINGS OF CHILDREN IN FOSTER CARE.

On behalf of the child and with the assistance of RDU CWFT staff, family services workers ~~is~~ are required to identify and apply for income or benefits from (one (1) or) every available source including Social Security, ~~veterans' benefits~~, tribal benefits, or estates of deceased parents. The address of the payee must be DHW-FACS-RDU CWFT, 450 West State Street, P. O. Box 83720 Boise, ID 83720-0036. (5-8-09)()

(2) *Administrative expenses.* Federal financial participation is available in any expenditures incident to the medical examinations necessary to determine whether an individual is permanently and totally disabled.

[36 FR 3867, Feb. 27, 1971]

§ 233.90 Factors specific to AFDC.

(a) *State plan requirements.* A State plan under title IV-A of the Social Security Act shall provide that:

(1) The determination whether a child has been deprived of parental support or care by reason of the death, continued absence from the home, or physical or mental incapacity of a parent, or (if the State plan includes such cases) the unemployment of his or her parent who is the principal earner will be made only in relation to the child's natural or adoptive parent, or in relation to the child's stepparent who is married, under State law, to the child's natural or adoptive parent and is legally obligated to support the child under State law of general applicability which requires stepparents to support stepchildren to the same extent that natural or adoptive parents are required to support their children. Under this requirement, the inclusion in the family, or the presence in the home, of a "substitute parent" or "man-in-the-house" or any individual other than one described in this paragraph is not an acceptable basis for a finding of ineligibility or for assuming the availability of income by the State; and

(2) Where it has reason to believe that a child receiving aid is in an unsuitable environment because of known or suspected instances of physical or mental injury, sexual abuse or exploitation, or negligent treatment or maltreatment of such child, under circumstances which indicate the child's health or welfare is threatened, the State or local agency will:

(i) Bring such condition to the attention of a court, law-enforcement agency, or other appropriate agency in the State, providing whatever data it has with respect to the situation;

(ii) In reporting such conditions, use the same criteria as are used in the State for all other parents and children; and

(iii) Cooperate with the court or other agency in planning and implementing action in the best interest of the child.

(b) *Conditions for plan approval.* (1) A child may not be denied AFDC either initially or subsequently "because of the conditions of the home in which the child resides", or because the home is considered "unsuitable", unless "provision is otherwise made pursuant to a State statute for adequate care and assistance with respect to such child". (Section 404(b) of the Social Security Act.)

(2) An otherwise eligible child who is under the age of 18 years may not be denied AFDC, regardless of whether she attends school (unless she is required to participate in the JOBS program pursuant to §250.30 and she is assigned to educational activities) or makes satisfactory grades.

(3) A state may elect to include in its AFDC program children age 18 who are full-time students in a secondary school, or in the equivalent level of vocational or technical training, and who may reasonably be expected to complete the program before reaching age 19.

(4)(i) A child may not be denied AFDC either initially or subsequently because a parent or other caretaker relative fails to cooperate with the child support agency in performing any of the activities needed to:

(A) Establish the paternity of a child born out of wedlock; or

(B) Obtain support from a person having a legal duty to support the child.

(ii) Any parent or caretaker relative who fails to so cooperate shall be treated in accordance with §232.12 of this chapter.

(5) [Reserved]

(6) An otherwise eligible child may not be denied AFDC if a parent is mentally or physically incapacitated as defined in paragraph (c)(1)(iv) of this section.

(c) *Federal financial participation.* (1) Federal financial participation under title IV-A of the Social Security Act in payments with respect to a "dependent child," as defined in section 406(a) of the Act, is available within the following interpretations:

(i) *Needy child deprived by reason of.* The phrase “needy child * * * deprived * * * by reason of” requires that both need and deprivation of parental support or care exist in the individual case. The phrase encompasses the situation of any child who is in need and otherwise eligible, and whose parent—father or mother—either has died, has a physical or mental incapacity, or is continually absent from the home. This interpretation is equally applicable whether the parent was the chief bread winner or devoted himself or herself primarily to the care of the child, and whether or not the parents were married to each other. The determination whether a child has been deprived of parental support or care is made in relation to the child’s natural parent or, as appropriate, the adoptive parent or stepparent described in paragraph (a) of this section.

(ii) *Death of a parent.* If either parent of a child is deceased, the child is deprived of parental support or care, and may, if he is in need and otherwise eligible, be included within the scope of the program.

(iii) *Continued absence of the parent from the home.* Continued absence of the parent from the home constitutes the reason for deprivation of parental support or care when the parent is out of the home, the nature of the absence is such as either to interrupt or to terminate the parent’s functioning as a provider of maintenance, physical care, or guidance for the child, and the known or indefinite duration of the absence precludes counting on the parent’s performance of the function of planning for the present support or care of the child. If these conditions exist, the parent may be absent for any reason, and may have left only recently or some time previously; except that a parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States (as defined in section 101(3) of Title 37, United States code) is not considered absent from the home. A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the

workday is considered absent from the home.

(iv) *“Physical or mental incapacity”.* “Physical or mental incapacity” of a parent shall be deemed to exist when one parent has a physical or mental defect, illness, or impairment. The incapacity shall be supported by competent medical testimony and must be of such a debilitating nature as to reduce substantially or eliminate the parent’s ability to support or care for the otherwise eligible child and be expected to last for a period of at least 30 days. In making the determination of ability to support, the agency shall take into account the limited employment opportunities of handicapped individuals.

A finding of eligibility for OASDI or SSI benefits, based on disability or blindness is acceptable proof of incapacity for AFDC purposes.

(v) *“Living with [a specified relative] in a place of residence maintained * * * as his * * * own home”.* (A) A child may be considered to meet the requirement of living with one of the relatives specified in the Act if his home is with a parent or a person in one of the following groups:

(1) Any blood relative, including those of half-blood, and including first cousins, nephews, or nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great.

(2) Stepfather, stepmother, stepbrother, and stepsister.

(3) Person who legally adopt a child or his parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with State law.

(4) Spouses of any persons named in the above groups even after the marriage is terminated by death or divorce.

(B) A home is the family setting maintained or in process of being established, as evidenced by assumption and continuation of responsibility for day to day care of the child by the relative with whom the child is living. A home exists so long as the relative exercises responsibility for the care and control of the child, even though either the child or the relative is temporarily

absent from the customary family setting. Within this interpretation, the child is considered to be "living with" his relative even though:

(1) He is under the jurisdiction of the court (e.g., receiving probation services or protective supervision); or

(2) Legal custody is held by an agency that does not have physical possession of the child.

(2) Federal financial participation is available in:

(i) Initial payments made on behalf of a child who goes to live with a relative specified in section 406(a)(1) of the Social Security Act within 30 days of the receipt of the first payment, provided payments are not made for concurrent period for the same child in the home of another relative or as foster care under title IV-E;

(ii) Payments made for the entire month in the course of which a child leaves the home of a specified relative, provided payments are not made for a concurrent period for the same child in the home of another relative or as foster care under title IV-E; and

(iii) Payments made to persons acting for relatives specified in section 406(a)(1) of the Act in emergency situations that deprive the child of the care of the relative through whom he has been receiving aid, for a temporary period necessary to make and carry out plans for the child's continuing care and support.

(iv) At State option, (A) payments with respect to a pregnant woman with no other children receiving assistance, and additionally, at State option, (B) payments for the purpose of meeting special needs occasioned by or resulting from pregnancy both for the pregnant woman with no other children as well as for the pregnant woman receiving AFDC. However, for both paragraphs (c)(2)(iv) (A) and (B) of this section it must be medically verified that the child is expected to be born in the month such payments are made or within the three-month period following such month of payment, and who, if such child had been born and was living with her in the month of payment, would be eligible for aid to families with dependent children. Federal financial participation is not available to meet the needs of the un-

born child. (Refer to Medicaid regulations at 42 CFR 435.115 for Medicaid coverage of pregnant women.)

(3) Federal financial participation (at the 50 percent rate) is available in any expenses incurred in establishing eligibility for AFDC, including expenses incident to obtaining necessary information to determine the existence of incapacity of a parent or pregnancy of a mother.

§ 233.100 Dependent children of unemployed parents.

(a) Requirements for State Plans. If a State wishes to provide AFDC for children of unemployed parents, the State plan under title IV-A of the Social Security Act must:

(1) Include a definition of an unemployed parent who is the principal earner which shall apply only to families determined to be needy in accordance with the provisions in § 233.20. Such definition must include any such parent who:

(i) Is employed less than 100 hours a month; or

(ii) Exceeds that standard for a particular month, if the work is intermittent and the excess is of a temporary nature as evidenced by the fact that he or she was under the 100-hour standard for the prior 2 months and is expected to be under the standard during the next month; except that at the option of the State, such definition need not include a principal earner who is unemployed because of participation in a labor dispute (other than a strike) or by reason of conduct or circumstances which result or would result in disqualification for unemployment compensation under the State's unemployment compensation law.

(2) Include a definition of a dependent child which shall include any child of an unemployed parent (as defined by the State pursuant to paragraph (a)(1) of this section) who would be, except for the fact that his parent is not dead,

(1) No Missing Data.

The data for the elements listed below must be present in all records in the submission. If any record contains missing data for any of these elements, the entire submission will be considered missing and processing will not proceed.

Element No.	Element name
01	Title IV-E agency.
02	Report date.
03	Record number.
04	Did the title IV-e agency have any involvement in this adoption?

(2) Less Than Ten Percent Missing Data

The data for the elements listed below cannot have ten percent or more missing data without incurring a determination of substantial noncompliance with the title IV-E plan.

Element No.	Element name
05	Child's date of birth.
06	Child's sex.
07	Child's race.
08	Is the child of Hispanic or Latino ethnicity?
09	Does child have special needs?
10	Indicate the primary basis for determining that the child has special needs. (If Element 09 is yes, you must answer this question.)
11-15	Type of special need (at least one must be selected.)
16	Mother's year of birth.
17	Father's year of birth.
18	Was mother married at time of child's birth?
19	Date of mother's termination of parental rights.
20	Date of father's termination of parental rights.
21	Date adoption legalized.
22	Adoptive parent(s)' family structure.
23	Mother's year of birth.
24	Father's year of birth.
25	Adoptive mother's race.
26	Hispanic or Latino ethnicity of mother.
27	Adoptive father's race.

33	Child placed from.
34	Child placed by.
35	Is a monthly financial subsidy paid for this child?
36	If yes, the monthly amount is?
37	Is the child receiving Title IV-E adoption assistance? (If Element 35 is a "1" (Yes) an answer to this question is required.)

c. Determination of substantial noncompliance with the title IV-E plan.

Missing data are a major factor in determining substantial noncompliance with the title IV-E plan.

(1) Selection Rules.

Only the adoption records with a "1" (Yes) answer in Element 4, "Did the title IV-E

Agency have any Involvement in this adoption" will be subject to a determination of substantial noncompliance with the title IV-E plan.

(2) Determination of substantial noncompliance with the title IV-E plan.

The percentage calculation will be performed for each data element. The total number of detailed records will serve as the denominator and the number of missing data occurrences for each element will serve as the numerator. The result will be multiplied by one hundred. The determination of substantial noncompliance with the title IV-E plan is made when any one element's missing data percentage is ten percent or greater.

4. Timeliness of Adoption Reports

The title IV-E agency is required to submit reports within 45 calendar days after the end of the semi-annual reporting period.

For determinations of substantial noncompliance with the title IV-E plan purposes, however, no specific timeliness of data standards apply. Data on adoptions should be submitted as promptly after finalization as possible.

The desired approach to reporting adoption data is that adoptions should be reported during the reporting period in which the adoption is legalized. Or, at the title IV-E agency's option, they can be reported in the following reporting period if the adoption is legalized within the last 60 days of the reporting period.

Negative reports must be submitted for any semi-annual period in which no adoptions have been legalized.

§ 1356.10 Scope.

This part applies to title IV-E agency programs for foster care maintenance payments, adoption assistance payments, related foster care and adoption administrative and training expenditures, and the independent living services program under title IV-E of the Act.

[77 FR 946, Jan. 6, 2012]

§ 1356.20 Title IV-E plan document and submission requirements.

(a) To be in compliance with the title IV-E plan requirements and to be eligible to receive Federal financial participation (FFP) in the costs of foster care maintenance payments and adoption assistance under this part, a title IV-E agency must have a plan approved by the Secretary that meets the requirements of this part, part 1355, section 471(a) of the Act and for Tribal title IV-E agencies, section 479B(c) of the Act. The title IV-E plan must be submitted to the appropriate Regional Office, ACYF, in a form determined by the title IV-E agency.

(b) Failure by a title IV-E agency to comply with the requirements and

45 CFR Ch. XIII (10–1–12 Edition)

standards for the data reporting system for foster care and adoption (§1355.40 of this chapter) shall be considered a substantial failure by the title IV-E agency in complying with the plan.

(c) The following procedures for approval of plans and amendments apply to the title IV-E program:

(1) *Plan.* The plan consists of written documents furnished by the title IV-E agency to cover its program under part E of title IV. After approval of the original plan by the Commissioner, ACYF, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that ACYF may determine whether the plan continues to meet Federal requirements and policies.

(2) *Submittal.* Plans and revisions of the plans are submitted first to the State governor or his/her designee, or the Tribal leader or his/her designee for review and then to the regional office, ACYF. Title IV-E agencies are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(3) *Review.* Staff in the regional offices are responsible for review of plans and amendments. They also initiate discussion with the title IV-E agency on clarification of significant aspects of the plan which come to their attention in the course of this review. Plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the title IV-E agency.

(4) *Action.* ACYF has the authority to approve plans and amendments thereto which provide for the administration of foster care maintenance payments and adoption assistance programs under section 471 of the Act. The Commissioner, ACYF, retains the authority to determine that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval. The Regional Office, ACYF, formally notifies the

title IV–E agency of the actions taken on plans or revisions.

(5) *Basis for approval.* Determinations as to whether plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations.

(6) *Prompt approval of plans.* The determination as to whether a plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 45th day following the date on which the plan submittal is received in the regional office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period.

(7) *Prompt approval of plan amendments.* Any amendment of an approved plan may, at the option of the title IV–E agency, be considered as a submission of a new plan. If the title IV–E agency requests that such amendment be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 45th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period. In absence of request by a title IV–E agency that an amendment of an approved plan shall be considered as a submission of a new plan, the procedures under §201.6(a) and (b) shall be applicable.

(8) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis or, in the case of a Tribal title IV–E agency, in operation in the Tribal title IV–E agency's entire service area. The same applies with respect to plan amendments.

(d) Once the title IV–E plan has been submitted and approved, it shall re-

main in effect until amendments are required. An amendment is required if there is any significant and relevant change in the information or assurances in the plan, or the organization, policies or operations described in the plan.

[77 FR 946, Jan. 6, 2012]

§ 1356.21 Foster care maintenance payments program implementation requirements.

(a) *Statutory and regulatory requirements of the Federal foster care program.* To implement the foster care maintenance payments program provisions of the title IV–E plan and to be eligible to receive Federal financial participation (FFP) for foster care maintenance payments under this part, a title IV–E agency must meet the requirements of this section, 45 CFR 1356.22, 45 CFR 1356.30, and sections 472, 475(1), 475(4), 475(5), 475(6), and for a Tribal title IV–E agency section 479(B)(c)(1)(C)(ii)(II) of the Act.

(b) *Reasonable efforts.* The title IV–E agency must make reasonable efforts to maintain the family unit and prevent the unnecessary removal of a child from his/her home, as long as the child's safety is assured; to effect the safe reunification of the child and family (if temporary out-of-home placement is necessary to ensure the immediate safety of the child); and to make and finalize alternate permanency plans in a timely manner when reunification is not appropriate or possible. In order to satisfy the "reasonable efforts" requirements of section 471(a)(15) (as implemented through section 472(a)(2) of the Act), the title IV–E agency must meet the requirements of paragraphs (b) and (d) of this section. In determining reasonable efforts to be made with respect to a child and in making such reasonable efforts, the child's health and safety must be the paramount concern.

(1) *Judicial determination of reasonable efforts to prevent a child's removal from the home.* (i) When a child is removed from his/her home, the judicial determination as to whether reasonable efforts were made, or were not required to prevent the removal, in accordance with paragraph (b)(3) of this section, must be made no later than 60 days

from the date the child is removed from the home pursuant to paragraph (k)(1)(ii) of this section.

(ii) If the determination concerning reasonable efforts to prevent the removal is not made as specified in paragraph (b)(1)(i) of this section, the child is not eligible under the title IV-E foster care maintenance payments program for the duration of that stay in foster care.

(2) *Judicial determination of reasonable efforts to finalize a permanency plan.* (i) The title IV-E agency must obtain a judicial determination that it has made reasonable efforts to finalize the permanency plan that is in effect (whether the plan is reunification, adoption, legal guardianship, placement with a fit and willing relative, or placement in another planned permanent living arrangement) within twelve months of the date the child is considered to have entered foster care in accordance with the definition at § 1355.20 of this part, and at least once every twelve months thereafter while the child is in foster care.

(ii) If such a judicial determination regarding reasonable efforts to finalize a permanency plan is not made in accordance with the schedule prescribed in paragraph (b)(2)(i) of this section, the child becomes ineligible under title IV-E at the end of the month in which the judicial determination was required to have been made, and remains ineligible until such a determination is made.

(3) *Circumstances in which reasonable efforts are not required to prevent a child's removal from home or to reunify the child and family.* Reasonable efforts to prevent a child's removal from home or to reunify the child and family are not required if the title IV-E agency obtains a judicial determination that such efforts are not required because:

(i) A court of competent jurisdiction has determined that the parent has subjected the child to aggravated circumstances (as defined in State, or for a Tribal title IV-E agency, Tribal law, which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) A court of competent jurisdiction has determined that the parent has been convicted of:

(A) Murder (which would have been an offense under section 1111(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(B) Voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(C) Aiding or abetting, attempting, conspiring, or soliciting to commit such a murder or such a voluntary manslaughter; or

(D) A felony assault that results in serious bodily injury to the child or another child of the parent; or,

(iii) The parental rights of the parent with respect to a sibling have been terminated involuntarily.

(4) *Concurrent planning.* Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child and family.

(5) *Use of the Federal Parent Locator Service.* The State agency may seek the services of the Federal Parent Locator Service to search for absent parents at any point in order to facilitate a permanency plan.

(c) *Contrary to the welfare determination.* Under section 472(a)(2) of the Act, a child's removal from the home must have been the result of a judicial determination (unless the child was removed pursuant to a voluntary placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interest, of the child. The contrary to the welfare determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. If the determination regarding contrary to the welfare is not made in the first court ruling pertaining to removal from the home, the child is not eligible for title IV-E foster care maintenance payments for the duration of that stay in foster care.

(d) *Documentation of judicial determinations.* The judicial determinations regarding contrary to the welfare, reasonable efforts to prevent removal, and

reasonable efforts to finalize the permanency plan in effect, including judicial determinations that reasonable efforts are not required, must be explicitly documented and must be made on a case-by-case basis and so stated in the court order.

(1) If the reasonable efforts and contrary to the welfare judicial determinations are not included as required in the court orders identified in paragraphs (b) and (c) of this section, a transcript of the court proceedings is the only other documentation that will be accepted to verify that these required determinations have been made.

(2) Neither affidavits nor nunc pro tunc orders will be accepted as verification documentation in support of reasonable efforts and contrary to the welfare judicial determinations except for a Tribal title IV-E agency for the first 12 months that agency's title IV-E plan is in effect as provided for in section 479B(c)(1)(C)(ii)(I) of the Act.

(3) Court orders that reference State or Tribal law to substantiate judicial determinations are not acceptable, even if such law provides that a removal must be based on a judicial determination that remaining in the home would be contrary to the child's welfare or that removal can only be ordered after reasonable efforts have been made.

(e) *Trial home visits.* A trial home visit may not exceed six months in duration, unless a court orders a longer trial home visit. If a trial home visit extends beyond six months and has not been authorized by the court, or exceeds the time period the court has deemed appropriate, and the child is subsequently returned to foster care, that placement must then be considered a new placement and title IV-E eligibility must be newly established. Under these circumstances the judicial determinations regarding contrary to the welfare and reasonable efforts to prevent removal are required.

(f) *Case review system.* In order to satisfy the provisions of section 471(a)(16) of the Act regarding a case review system, each title IV-E agency's case review system must meet the requirements of sections 475(5) and 475(6) of the Act.

(g) *Case plan requirements.* In order to satisfy the case plan requirements of sections 471(a)(16), 475(1) and 475(5)(A) and (D) of the Act, the title IV-E agency must promulgate policy materials and instructions for use by staff to determine the appropriateness of and necessity for the foster care placement of the child. The case plan for each child must:

(1) Be a written document, which is a discrete part of the case record, in a format determined by the title IV-E agency, which is developed jointly with the parent(s) or guardian of the child in foster care; and

(2) Be developed within a reasonable period, to be established by the title IV-E agency, but in no event later than 60 days from the child's removal from the home pursuant to paragraph (k) of this section;

(3) Include a discussion of how the case plan is designed to achieve a safe placement for the child in the least restrictive (most family-like) setting available and in close proximity to the home of the parent(s) when the case plan goal is reunification and a discussion of how the placement is consistent with the best interests and special needs of the child. (FFP is not available when a court orders a placement with a specific foster care provider);

(4) Include a description of the services offered and provided to prevent removal of the child from the home and to reunify the family; and

(5) Document the steps to finalize a placement when the case plan goal is or becomes adoption or placement in another permanent home in accordance with sections 475(1)(E) and (5)(E) of the Act. When the case plan goal is adoption, at a minimum, such documentation shall include child-specific recruitment efforts such as the use of State, Tribal, regional, and national adoption exchanges including electronic exchange systems.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980-0140. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

(h) *Application of the permanency hearing requirements.* (1) To meet the requirements of the permanency hearing, the title IV–E agency must, among other requirements, comply with section 475(5)(C) of the Act.

(2) In accordance with paragraph (b)(3) of this section, when a court determines that reasonable efforts to return the child home are not required, a permanency hearing must be held within 30 days of that determination, unless the requirements of the permanency hearing are fulfilled at the hearing in which the court determines that reasonable efforts to reunify the child and family are not required.

(3) If the title IV–E agency concludes, after considering reunification, adoption, legal guardianship, or permanent placement with a fit and willing relative, that the most appropriate permanency plan for a child is placement in another planned permanent living arrangement, the title IV–E agency must document to the court the compelling reason for the alternate plan. Examples of a compelling reason for establishing such a permanency plan may include:

(i) The case of an older teen who specifically requests that emancipation be established as his/her permanency plan;

(ii) The case of a parent and child who have a significant bond but the parent is unable to care for the child because of an emotional or physical disability and the child's foster parents have committed to raising him/her to the age of majority and to facilitate visitation with the disabled parent; or,

(iii) the Tribe has identified another planned permanent living arrangement for the child.

(4) When an administrative body, appointed or approved by the court, conducts the permanency hearing, the procedural safeguards set forth in the definition of *permanency hearing* must be so extended by the administrative body.

(i) *Application of the requirements for filing a petition to terminate parental rights at section 475(5)(E) of the Social Security Act.* (1) Subject to the exceptions in paragraph (i)(2) of this section, the title IV–E agency must file a petition (or, if such a petition has been filed by another party, seek to be joined as a

party to the petition) to terminate the parental rights of a parent(s):

(i) Whose child has been in foster care under the responsibility of the title IV–E agency for 15 of the most recent 22 months. The petition must be filed by the end of the child's fifteenth month in foster care. In calculating when to file a petition for termination of parental rights, the title IV–E agency:

(A) Must calculate the 15 out of the most recent 22 month period from the date the child is considered to have entered foster care as defined at section 475(5)(F) of the Act and § 1355.20 of this part;

(B) Must use a cumulative method of calculation when a child experiences multiple exits from and entries into foster care during the 22 month period;

(C) Must not include trial home visits or runaway episodes in calculating 15 months in foster care; and,

(D) Need only apply section 475(5)(E) of the Act to a child once if the title IV–E agency does not file a petition because one of the exceptions at paragraph (i)(2) of this section applies;

(ii) Whose child has been determined by a court of competent jurisdiction to be an abandoned infant (as defined under State or for a Tribal title IV–E agency, Tribal law). The petition to terminate parental rights must be filed within 60 days of the judicial determination that the child is an abandoned infant; or,

(iii) Who has been convicted of one of the felonies listed at paragraph (b)(3)(ii) of this section. Under such circumstances, the petition to terminate parental rights must be filed within 60 days of a judicial determination that reasonable efforts to reunify the child and parent are not required.

(2) The title IV–E agency may elect not to file or join a petition to terminate the parental rights of a parent per paragraph (i)(1) of this section if:

(i) At the option of the title IV–E agency, the child is being cared for by a relative;

(ii) The title IV–E agency has documented in the case plan (which must be available for court review) a compelling reason for determining that filing such a petition would not be in the best

interests of the individual child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to:

(A) Adoption is not the appropriate permanency goal for the child; or,

(B) No grounds to file a petition to terminate parental rights exist; or,

(C) The child is an unaccompanied refugee minor as defined in 45 CFR 400.111; or

(D) There are international legal obligations or compelling foreign policy reasons that would preclude terminating parental rights; or

(iii) The title IV-E agency has not provided to the family, consistent with the time period in the case plan, services that the title IV-E agency deems necessary for the safe return of the child to the home, when reasonable efforts to reunify the family are required.

(3) When the title IV-E agency files or joins a petition to terminate parental rights in accordance with paragraph (i)(1) of this section, it must concurrently begin to identify, recruit, process, and approve a qualified adoptive family for the child.

(j) *Child of a minor parent in foster care.* Foster care maintenance payments made on behalf of a child placed in a foster family home or child care institution, who is the parent of a son or daughter in the same home or institution, must include amounts which are necessary to cover costs incurred on behalf of the child's son or daughter. Said costs must be limited to funds expended on items listed in the definition of *foster care maintenance payments* in §1355.20 of this part.

(k) *Removal from the home of a specified relative.* (1) For the purposes of meeting the requirements of section 472(a)(1) of the Act, a removal from the home must occur pursuant to:

(i) A voluntary placement agreement entered into by a parent or guardian which leads to a physical or constructive removal (i.e., a non-physical or paper removal of custody) of the child from the home; or

(ii) A judicial order for a physical or constructive removal of the child from a parent or specified relative.

(2) A removal has not occurred in situations where legal custody is removed

from the parent or relative and the child remains with the same relative in that home under supervision by the title IV-E agency.

(3) A child is considered constructively removed on the date of the first judicial order removing custody, even temporarily, from the appropriate specified relative or the date that the voluntary placement agreement is signed by all relevant parties.

(1) *Living with a specified relative.* For purposes of meeting the requirements for living with a specified relative prior to removal from the home under section 472(a)(1) of the Act, all of the conditions under section 472(a)(3), and for Tribal title IV-E agencies section 479B(c)(1)(C)(ii)(II) of the Act, one of the two following situations must apply:

(1) The child was living with the parent or specified relative, and was AFDC eligible in that home in the month of the voluntary placement agreement or initiation of court proceedings; or

(2) The child had been living with the parent or specified relative within six months of the month of the voluntary placement agreement or the initiation of court proceedings, and the child would have been AFDC eligible in that month if s/he had still been living in that home.

(m) *Review of payments and licensing standards.* In meeting the requirements of section 471(a)(11) of the Act, the title IV-E agency must review at reasonable, specific, time-limited periods to be established by the agency:

(1) The amount of the payments made for foster care maintenance and adoption assistance to assure their continued appropriateness; and

(2) The licensing or approval standards for child care institutions and foster family homes.

(n) *Foster care goals.* The specific foster care goals required under section 471(a)(14) of the Act must be incorporated into State law or Tribal law by statute, code, resolution, Tribal proceedings or administrative regulation with the force of law.

(o) *Notice and right to be heard.* The title IV-E agency must provide the foster parent(s) of a child and any preadoptive parent or relative providing care for the child with timely

§ 1356.22

notice of and the opportunity to be heard in any proceedings held with respect to the child during the time the child is in the care of such foster parent, preadoptive parent, or relative caregiver. Notice of and opportunity to be heard does not include the right to standing as a party to the case.

§ 1356.22 Implementation requirements for children voluntarily placed in foster care.

(a) As a condition of receipt of Federal financial participation (FFP) in foster care maintenance payments for a dependent child removed from his home under a voluntary placement agreement, the title IV-E agency must meet the requirements of:

- (1) Section 472 of the Act, as amended;
- (2) Sections 422(b)(8) and 475(5) of the Act;
- (3) 45 CFR 1356.21(e), (f), (g), (h), and (i); and
- (4) The requirements of this section.

(b) Federal financial participation is available only for voluntary foster care maintenance expenditures made within the first 180 days of the child's placement in foster care unless there has been a judicial determination by a court of competent jurisdiction, within the first 180 days of such placement, to the effect that the continued voluntary placement is in the best interests of the child.

(c) The title IV-E agency must establish and maintain a uniform procedure or system, consistent with State or Tribal law, for revocation by the parent(s) of a voluntary placement agreement and return of the child.

[65 FR 4090, Jan. 25, 2000, as amended at 66 FR 58677, Nov. 23, 2001; 77 FR 949, Jan. 6, 2012]

§ 1356.30 Safety requirements for foster care and adoptive home providers.

(a) The title IV-E agency must provide documentation that criminal records checks have been conducted with respect to prospective foster and adoptive parents.

(b) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the

45 CFR Ch. XIII (10-1-12 Edition)

title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds that, based on a criminal records check conducted in accordance with paragraph (a) of this section, a court of competent jurisdiction has determined that the prospective foster or adoptive parent has been convicted of a felony involving:

- (1) Child abuse or neglect;
- (2) Spousal abuse;
- (3) A crime against a child or children (including child pornography); or,
- (4) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(c) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds, based on a criminal records check conducted in accordance with paragraph (a) of this section, that a court of competent jurisdiction has determined that the prospective foster or adoptive parent has, within the last five years, been convicted of a felony involving:

- (1) Physical assault;
- (2) Battery; or,
- (3) A drug-related offense.
- (d) [Reserved]

(e) In all cases where the State opted out of the criminal records check requirement, as permitted prior to the amendments made by section 152 of Public Law 109-248, the licensing file for that foster or adoptive family must contain documentation which verifies that safety considerations with respect to the caretaker(s) have been addressed.

(f) In order for a child care institution to be eligible for title IV-E funding, the licensing file for the institution must contain documentation which verifies that safety considerations with respect to the staff of the institution have been addressed.

§ 1356.40 Adoption assistance program: Administrative requirements to implement section 473 of the Act.

(a) To implement the adoption assistance program provisions of the title IV-E plan and to be eligible for Federal financial participation in adoption assistance payments under this part, the title IV-E agency must meet the requirements of this section and section 471(a), applicable provisions of section 473, and section 475(3) of the Act.

(b) The adoption assistance agreement for payments pursuant to section 473(a)(2) must meet the requirements of section 475(3) of the Act and must:

(1) Be signed and in effect at the time of or prior to the final decree of adoption. A copy of the signed agreement must be given to each party; and

(2) Specify its duration; and

(3) Specify the nature and amount of any payment, services and assistance to be provided under such agreement and, for purposes of eligibility under title XIX of the Act, specify that the child is eligible for Medicaid services; and

(4) Specify, with respect to agreements entered into on or after October 1, 1983, that the agreement shall remain in effect regardless of the place of residence of the adoptive parents at any given time.

(c) There must be no income eligibility requirement (means test) for the prospective adoptive parent(s) in determining eligibility for adoption assistance payments.

(d) In the event an adoptive family moves from one place of residence to another, the family may apply for social services on behalf of the adoptive child in the new place of residence. If a needed service(s) specified in the adoption assistance agreement is not available in the new place of residence, the title IV-E agency making the original adoption assistance payment remains

financially responsible for providing the specified service(s).

(e) A title IV-E agency may make an adoption assistance agreement with adopting parent(s) who reside in another State or a Tribal service area. If so, all provisions of this section apply.

(f) The title IV-E agency must actively seek ways to promote the adoption assistance program.

[48 FR 23116, May 23, 1983, as amended at 53 FR 50220, Dec. 14, 1988; 77 FR 949, Jan. 6, 2012]

§ 1356.41 Nonrecurring expenses of adoption.

(a) The amount of the payment made for nonrecurring expenses of adoption shall be determined through agreement between the adopting parent(s) and the title IV-E agency administering the program. The agreement must indicate the nature and amount of the nonrecurring expenses to be paid.

(b) The agreement for nonrecurring expenses may be a separate document or a part of an agreement for either State, Tribal, or Federal adoption assistance payments or services.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of nonrecurring expenses of adoption, the title IV-E agency must determine that the child is a "child with special needs" as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The title IV-E agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services.

(2) The agreement for nonrecurring expenses must be signed at the time of

§ 1356.50

45 CFR Ch. XIII (10–1–12 Edition)

or prior to the final decree of adoption. Claims must be filed with the title IV–E agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the title IV–E agency under an adoption assistance agreement, with respect to nonrecurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV–E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for title IV–E agency expenditures up to \$2,000, for any adoptive placement.

(2) Title IV–E agencies may set a reasonable lower maximum which must be based on reasonable charges, consistent with State, Tribal, and local practices, for special needs adoptions within the State or Tribal service area. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other sources. Payments for nonrecurring expenses shall be made either directly by the title IV–E agency or through another public or licensed nonprofit private agency.

(h) When the adoption of the child involves a placement outside the State or Tribal service area, the title IV–E agency that enters into an adoption assistance agreement under section 473(a)(1)(B)(ii) of the Act or under a State or Tribal subsidy program will be responsible for paying the nonrecurring adoption expenses of the child. In cases where there is placement outside the State or Tribal service area but no agreement for other Federal, Tribal, or State adoption assistance, the title IV–E agency in the jurisdiction in which the final adoption decree is issued will be responsible for reimbursement of

nonrecurring expenses if the child meets the requirements of section 473(c).

(i) The term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the legal adoption of a child with special needs, which are not incurred in violation of State, Tribal or Federal law, and which have not been reimbursed from other sources or other funds. “Other expenses which are directly related to the legal adoption of a child with special needs” means the costs of the adoption incurred by or on behalf of the parents and for which parents carry the ultimate liability for payment. Such costs may include the adoption study, including health and psychological examination, supervision of the placement prior to adoption, transportation and the reasonable costs of lodging and food for the child and/or the adoptive parents when necessary to complete the placement or adoption process.

(j) Failure to honor all eligible claims will be considered non-compliance by the title IV–E agency with title IV–E of the Act.

(k) A title IV–E expenditure is considered made in the quarter during which the payment was made by a title IV–E agency to a private nonprofit agency, individual or vendor payee.

(i) Foster care maintenance payments as defined in section 475(4) of the Act, made in accordance with 45 CFR 1356.20 through 1356.30, section 472 of the Act, and for a Tribal title IV-E agency, section 479B of the Act;

(ii) Adoption assistance payments made in accordance with 45 CFR 1356.20 and 1356.40, applicable provisions of section 473, section 475(3) and, for a Tribal title IV-E agency, section 479B of the Act.

(2) Federal financial participation is available at the rate of the Federal medical assistance percentage as defined in section 1905(b), 474(a)(1) and (2) and 479B(d) of the Act as applicable, definitions, and pertinent regulations as promulgated by the Secretary, or his designee.

(ii) Providing short-term training (including travel and per diem expenses) to current or prospective foster or adoptive parents and the members of the state licensed or approved child care institutions providing care to foster and adopted children receiving title IV-E assistance.

(2) All training activities and costs funded under title IV-E shall be included in the agency's training plan for title IV-B.

with the provisions of §§ 235.63 through 235.66(a) of this title.

(c) *Federal matching funds for other title IV-E agency administrative expenditures for foster care and adoption assistance under title IV-E.* Federal financial participation is available at the rate of fifty percent (50%) for administrative expenditures necessary for the proper and efficient administration of the title IV-E plan. The State's cost allocation plan shall identify which costs are allocated and claimed under this program.

(1) The determination and redetermination of eligibility, fair hearings and appeals, rate setting and other costs directly related only to the administration of the foster care program under this part are deemed allowable administrative costs under this paragraph. They may not be claimed under any other section or Federal program.

(2) The following are examples of allowable administrative costs necessary for the administration of the foster care program:

- (i) Referral to services;
- (ii) Preparation for and participation in judicial determinations;
- (iii) Placement of the child;
- (iv) Development of the case plan;

- (vi) Case management and supervision;
- (vii) Recruitment and licensing of foster homes and institutions;
- (viii) Rate setting; and
- (ix) A proportionate share of related agency overhead.

(x) Costs related to data collection and reporting.

(d) *Cost of the data collection system.*

(1) Costs related to data collection system initiation, implementation and operation may be charged as an administrative cost of title IV-E at the 50 percent matching rate subject to the restrictions in paragraph (d) (2) of this section

(2) For information systems used for purposes other than those specified by

section 479 of the Act, costs must be allocated and must bear the same ratio as the foster care and adoption population bears to the total population contained in the information system as verified by reports from all other programs included in the system.

(e) *Federal matching funds for SACWIS/TACWIS.* All expenditures of a title IV–E agency to plan, design, develop, install and operate the Statewide or Tribal automated child welfare information system approved under §1355.52 of this chapter, shall be treated as necessary for the proper and efficient administration of the title IV–E plan without regard to whether the system may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance or adoption assistance payments may be made under this part.

§ 1356.67 Procedures for the transfer of placement and care responsibility of a child from a State to a Tribal title IV–E agency or an Indian Tribe with a title IV–E agreement.

(a) Each State with a title IV–E plan approved under section 471 of the Act must establish and maintain procedures, in consultation with Indian Tribes, for the transfer of responsibility for the placement and care of a child under a State title IV–E plan to a Tribal title IV–E agency or an Indian Tribe with a title IV–E agreement in a way that does not affect a child’s eligibility for, or payment of, title IV–E and the child’s eligibility for medical assistance under title XIX of the Act.

(b) The procedures must, at a minimum, provide for the State to:

(1) Determine, if the eligibility determination is not already completed, the child’s eligibility under section 472 or 473 of the Act at the time of the transfer of placement and care responsibility of a child to a Tribal title IV–E agency or an Indian Tribe with a title IV–E agreement.

(2) Provide essential documents and information necessary to continue a child’s eligibility under title IV–E and Medicaid programs under title XIX to the Tribal title IV–E agency, including, but not limited to providing:

(i) All judicial determinations to the effect that continuation in the home from which the child was removed would be contrary to the welfare of the child and that reasonable efforts described in section 471(a)(15) of the Act have been made;

(ii) Other documentation the State has that relates to the child’s title IV–E eligibility under sections 472 and 473 of the Act;

(iii) Information and documentation available to the agency regarding the child’s eligibility or potential eligibility for other Federal benefits;

(a) *Option to claim in-kind expenditures from third-party sources for non-Federal share of administrative and training costs.* A Tribal title IV–E agency may claim allowable in-kind expenditures from third-party sources for the purpose of determining the non-Federal share of administrative or training costs subject to paragraphs (b) through (d) of this section.

(2) *Training costs.* A Tribal title IV–E agency may claim in-kind training expenditures of up to 12 percent of the total training funds expended during a

fiscal year quarter pursuant to section 474(a)(3)(A) and (B) of the Act, but only from the following sources:

- (i) A State or local government;
- (ii) An Indian Tribe, Tribal organization, or Tribal consortium other than the Indian Tribe, organization, or consortium submitting the title IV-E plan;
- (iii) A public institution of higher education;

L. 110-351) of the total training funds expended during each quarter of fiscal year 2012 pursuant to section 474(a)(3)(A) and (B) of the Act. For fiscal year 2013 and thereafter, a Tribal title IV-E agency may claim in-kind training expenditures of up to 25 percent of the total training funds expended during a fiscal quarter pursuant to section 474(a)(3)(A) and (B) of the Act.

§§ 1356.69–1356.70 [Reserved]

§ 1356.71 Federal review of the eligibility of children in foster care and the eligibility of foster care providers in title IV-E programs.

(a) *Purpose, scope and overview of the process.* (1) This section sets forth requirements governing Federal reviews of compliance with the title IV-E eligibility provisions as they apply to children and foster care providers under paragraphs (a) and (b) of section 472 of the Act.

(2) The requirements of this section apply to title IV-E agencies that receive Federal payments for foster care under title IV-E of the Act.

(3) The review process begins with a primary review of foster care cases for the title IV-E eligibility requirements.

(i) *Title IV-E agencies in substantial compliance.* Title IV-E agencies determined to be in substantial compliance based on the primary review will be subject to another review in three years.

(ii) *Title IV-E agencies not in substantial compliance.* Title IV-E agencies that are determined not to be in substantial compliance based on the primary review will develop and implement a program improvement plan designed to correct the areas of non-compliance. A secondary review will be conducted after the completion of the program improvement plan. A subsequent primary review will be held three years from the date of the secondary review.

(b) *Composition of review team and preliminary activities preceding an on-site review.* (1) The review team must be composed of representatives of the title IV-E agency, and ACF's Regional and Central Offices.

(2) The title IV-E agency must provide ACF with the complete payment history for each of the sample and oversample cases prior to the on-site review.

(c) *Sampling guidance and conduct of review.* (1) The list of sampling units in the target population (*i.e.*, the sampling frame) will be drawn by ACF statistical staff from the Adoption and Foster Care Analysis and Reporting System (AFCARS) data which are transmitted by the title IV-E agency to ACF. The sampling frame will consist of cases of children who were eligible for foster care maintenance payments during the reporting period reflected in a title IV-E agency's most recent AFCARS data submission. For the initial primary review, if these data are not available or are deficient, an alternative sampling frame, consistent with one AFCARS six-month reporting period, will be selected by ACF in conjunction with the title IV-E agency.

(2) A sample of 80 cases (plus a 10 percent oversample of eight cases) from the title IV-E foster care program will be selected for the primary review utilizing probability sampling methodologies. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate.

(3) Cases from the oversample will be substituted and reviewed for each of the original sample of 80 cases which is found to be in error.

(4) At the completion of the primary review, the review team will determine the number of ineligible cases. When the total number of ineligible cases does not exceed eight, ACF can conclude with a probability of 88 percent that in a population of 1000 or more cases the population ineligibility case error rate is less than 15 percent and the title IV-E agency will be considered in substantial compliance. For primary reviews held subsequent to the initial primary reviews, the acceptable population ineligibility case error rate threshold will be reduced from less than 15 percent (eight or fewer ineligible cases) to less than 10 percent (four or fewer ineligible cases)). A title IV-E agency which meets this standard is considered to be in “substantial compliance” (see paragraph (h) of this section). A disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(5) A title IV-E agency which has been determined to be in “noncompliance” (*i.e.*, not in substantial compliance) will be required to develop a program improvement plan according to the specifications discussed in paragraph (i) of this section, as well as undergo a secondary review. For the secondary review, a sample of 150 cases (plus a 10 percent oversample of 15 cases) will be drawn from the most recent AFCARS submission. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 150 cases which is found to be in error.

(6) At the completion of the secondary review, the review team will

calculate both the sample case ineligibility and dollar error rates for the cases determined ineligible during the review. An extrapolated disallowance equal to the lower limit of a 90 percent confidence interval for the population total dollars in error for the amount of time corresponding to the AFCARS reporting period will be assessed if both the child/provider (case) ineligibility and dollar error rates exceed 10 percent. If neither, or only one, of the error rates exceeds 10 percent, a disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(d) *Requirements subject to review.* Title IV-E agencies will be reviewed against the requirements of title IV-E of the Act regarding:

(1) The eligibility of the children on whose behalf the foster care maintenance payments are made (section 472(a)(1)–(4) of the Act) to include:

(i) Judicial determinations regarding “reasonable efforts” and “contrary to the welfare” in accordance with § 1356.21(b) and (c), respectively;

(ii) Voluntary placement agreements in accordance with § 1356.22;

(iii) Responsibility for placement and care vested with the title IV-E or other public agency per section 472(a)(2)(B) of the Act;

(iv) Placement in a licensed foster family home or child care institution; and,

(v) Eligibility for AFDC under such State plan as it was in effect on July 16, 1996 per section 472(a)(3) or 479B(c)(1)(C)(ii)(II) of the Act, as appropriate.

(2) Allowable payments made to foster care providers who comport with sections 471(a)(10), 471(a)(20), 472(b) and (c), and 479B(c)(2) of the Act and § 1356.30.

(e) *Review instrument.* A title IV-E foster care eligibility review checklist will be used when conducting the eligibility review.

(f) *Eligibility determination—child.* The case record of the child must contain sufficient documentation to verify a child’s eligibility in accordance with paragraph (d)(1) of this section, in order to substantiate payments made on the child’s behalf.

(g) *Eligibility determination—provider.* (1) For each case being reviewed, the title IV–E agency must make available a licensing file which contains the licensing history, including a copy of the certificate of licensure/approval or letter of approval, for each of the providers in the following categories:

- (i) Public child care institutions with 25 children or less in residence;
- (ii) Private child care institutions;
- (iii) Group homes; and
- (iv) Foster family homes, including relative homes.

(2) The licensing file must contain documentation that the title IV–E agency has complied with the safety requirements for foster and adoptive placements in accordance with §1356.30.

(3) If the licensing file does not contain sufficient information to support a child's placement in a licensed facility, the title IV–E agency may provide supplemental information from other sources (e.g., a computerized database).

(h) *Standards of compliance.* (1) Disallowances will be taken, and plans for program improvement required, based on the extent to which a title IV–E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR parts 1355 and 1356.

(2) Substantial compliance and non-compliance are defined as follows:

(i) *Substantial compliance*—For the primary review (of the sample of 80 cases), no more than eight of the title IV–E cases reviewed may be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to four errors or less in primary reviews held subsequent to the initial primary review). For the secondary review (if required), *substantial compliance* means either the case ineligibility or dollar error rate does not exceed 10 percent.

(ii) *Noncompliance*—means not in substantial compliance. For the primary review (of the sample of 80 cases), nine or more of the title IV–E cases reviewed must be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to five or more in primary reviews subsequent to the initial primary review). For the secondary review (if

required), *noncompliance* means both the case ineligibility and dollar error rates exceed 10 percent.

(3) ACF will notify the title IV–E agency in writing within 30 calendar days after the completion of the review of whether the title IV–E agency is, or is not, operating in substantial compliance.

(4) Title IV–E agencies which are determined to be in substantial compliance must undergo a subsequent review after a minimum of three years.

(i) *Program improvement plans.* (1) Title IV–E agencies which are determined to be in noncompliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR Parts 1355 and 1356, will develop a program improvement plan designed to correct the areas determined not to be in substantial compliance. The program improvement plan will:

(i) Be developed jointly by title IV–E agency and Federal staff;

(ii) Identify the areas in which the title IV–E agency's program is not in substantial compliance;

(iii) Not extend beyond one year. A title IV–E agency will have a maximum of one year in which to implement and complete the provisions of the program improvement plan unless State/Tribal legislative action is required. In such instances, an extension may be granted with the title IV–E agency and ACF negotiating the terms and length of such extension that shall not exceed the last day of the first legislative session after the date of the program improvement plan; and

(iv) Include:

(A) Specific goals;

(B) The action steps required to correct each identified weakness or deficiency; and,

(C) a date by which each of the action steps is to be completed.

(2) Title IV–E agencies determined not to be in substantial compliance as a result of a primary review must submit the program improvement plan to ACF for approval within 90 calendar days from the date the title IV–E agency receives written notification that it is not in substantial compliance. This deadline may be extended an additional 30 calendar days when a title IV–E

§ 1356.80

agency submits additional documentation to ACF in support of cases determined to be ineligible as a result of the on-site eligibility review.

(3) The ACF Regional Office will intermittently review, in conjunction with the title IV-E agency, the title IV-E agency's progress in completing the prescribed action steps in the program improvement plan.

(4) If a title IV-E agency does not submit an approvable program improvement plan in accordance with the provisions of paragraphs (i)(1) and (2) of this section, ACF will move to a secondary review in accordance with paragraph (c) of this section.

(j) *Disallowance of funds.* The amount of funds to be disallowed will be determined by the extent to which a title IV-E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR parts 1355 and 1356.

(1) Title IV-E agencies which are found to be in substantial compliance during the primary or secondary review will have disallowances (if any) determined on the basis of individual cases reviewed and found to be in error. The amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time that each case has been ineligible.

(2) Title IV-E agencies which are found to be in noncompliance during the primary review will have disallowances determined on the basis of individual cases reviewed and found to be in error, and must implement a program improvement plan in accordance with the provisions contained within it. A secondary review will be conducted no later than during the AFCARS reporting period which immediately follows the program improvement plan completion date on a sample of 150 cases drawn from the title IV-E agency's most recent AFCARS data. If both the case ineligibility and dollar error rates exceed 10 percent, the title IV-E agency is not in compliance and an additional disallowance will be determined based on extrapolation from the sample to the universe of claims paid for the duration of the AFCARS reporting period (*i.e.*, all title IV-E

45 CFR Ch. XIII (10-1-12 Edition)

funds expended for a case during the quarter(s) that case is ineligible, including administrative costs). If either the case ineligibility or dollar rate does not exceed 10 percent, the amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time the case has been determined to be ineligible.

(3) The title IV-E agency will be liable for interest on the amount of funds disallowed by the Department, in accordance with the provisions of 45 CFR 30.18.

(4) Title IV-E agencies may appeal any disallowance actions taken by ACF to the HHS Departmental Appeals Board in accordance with regulations at 45 CFR part 16.

§ 1356.84 **Sampling.**

(a) The State agency may collect and report the information required in section 1356.83(e) of this part on a sample of the baseline population consistent with the sampling requirements described in paragraphs (b) and (c) of this section.

(b) The State agency must select the follow-up sample using simple random sampling procedures based on random numbers generated by a computer program, unless ACF approves another sampling procedure. The sampling universe consists of youth in the baseline population consistent with 45 CFR 1356.81(b) who participated in the State agency's data collection at age 17.

(c) The sample size is based on the number of youth in the baseline population who participated in the State agency's data collection at age 17.

(1) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is 5,000 or less, the State agency must calculate the sample size using the formula in appendix C of this part, with the Finite Population Correction (FPC). The State agency must increase the resulting number by 30 percent to allow for attrition, but the sample size may not be larger than the number of youth who participated in data collection at age 17.

(2) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is greater than 5,000, the State agency must calculate the sample size using the formula in appendix C of this part, without the FPC. The State agency must increase the resulting number by 30 percent to allow for attrition, but the sample size must not be larger than the number of youth who participated in data collection at age 17.

[73 FR 10365, Feb. 26, 2008]

§ 1356.85 Compliance.

(a) *File submission standards.* A State agency must submit a data file in accordance with the following file submission standards:

(1) *Timely data.* The data file must be received in accordance with the reporting period and timeline described in section 1356.83(a) of this part;

(2) *Format.* The data file must be in a format that meets ACF's specifications; and

(3) *Error-free information.* The file must contain data in the general and demographic elements described in section 1356.83(g)(1) through (g)(5), (g)(14), and (g)(36) of this part that is 100 per-

cent error-free as defined in paragraph (c) of this section.

(b) *Data standards.* A State agency also must submit a file that meets the following data standards:

(1) *Error-free.* The data for the applicable demographic, service and outcomes elements defined in section 1356.83(g)(6) through (13), (g)(15) through (35) and (g)(37) through (58) of this part must be 90 percent error-free as described and assessed according to paragraph (c) of this section.

(2) *Outcomes universe.* In any Federal fiscal year for which the State agency is required to submit information on the follow-up population, the State agency must submit a youth record containing at least outcomes data for the outcomes status element described in section 1356.83(g)(34) of this part on each youth for whom the State agency reported outcome information as part of the baseline population. Alternatively, if the State agency has elected to conduct sampling in accordance with section 1356.84 of this part, the State agency must submit a record containing at least outcomes data for the outcomes status element described in section 1356.83(g)(34) of this part on each 19-year-old youth in the follow-up population, inclusive of those youth who are not in the sample, and each 21-year-old youth in the follow-up sample.

(3) *Outcomes participation rate.* The State agency must report outcome information on each youth in the follow-up population at the rates described in paragraphs (b)(3)(i) through (iii) of this section. A youth has participated in the outcomes data collection if the State agency collected and reported a valid response (i.e., a response option other than "declined" or "not applicable") to any of the outcomes-related elements described in section 1356.83(g)(37) through (g)(58) of this part. ACF will exclude from the calculation of the participation rate any youth in the follow-up population who is reported as deceased, incapacitated or incarcerated in section 1356.83(g)(34) at the time information on the follow-up population is required.

(i) *Foster care youth participation rate.* The State agency must report outcome information on at least 80 percent of youth in the follow-up population who

§ 1356.86

45 CFR Ch. XIII (10–1–12 Edition)

are in foster care on the date of outcomes data collection as indicated in section 1356.83(g)(35) and (g)(36) of this part.

(ii) *Discharged youth participation rate.* The State agency must report outcome information on at least 60 percent of youth in the follow-up population who are not in foster care on the date of outcomes data collection as indicated in section 1356.83(g)(35) and (g)(36) of this part.

(iii) *Effect of sampling on participation rates.* For State agencies electing to sample in accordance with section 1356.84 and appendix C of this part, ACF will apply the outcome participation rates in paragraphs (b)(2)(i) and (ii) of this section to the required sample size for the State.

(c) *Errors.* ACF will assess each State agency's data file for the following types of errors: Missing data, out-of-range data, or internally inconsistent data. The amount of errors acceptable for each reporting period is described in paragraphs (a) and (b) of this section.

(1) Missing data is any element that has a blank response when a blank response is not a valid response option as described in section 1356.83(g) of this part.

(2) Out-of-range data is any element that contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in section 1356.83(g) of this part; and

(3) Internally inconsistent data is any element that fails an internal consistency check designed to evaluate the logical relationship between elements in each record. The evaluation will identify all elements involved in a particular check as in error.

(d) *Review for compliance.* (1) ACF will determine whether a State agency's data file for each reporting period is in compliance with the file submission standards and data standards in paragraphs (a) and (b) of this section.

(i) For State agencies that achieve the file submission standards, ACF will determine whether the State agency's data file meets the data standards.

(ii) For State agencies that do not achieve the file submission standards

or data standards, ACF will notify the State agency that they have an opportunity to submit a corrected data file by the end of the subsequent reporting period in accordance with paragraph (e) of this section.

(2) ACF may use monitoring tools or assessment procedures to determine whether the State agency is meeting all the requirements of section 1356.81 through 1356.85 of this part.

(e) *Submitting corrected data and non-compliance.* A State agency that does not submit a data file that meets the standards in section 1356.85 of this part will have an opportunity to submit a corrected data file in accordance with paragraphs (e)(1) and (e)(2) of this section.

(1) A State agency must submit a corrected data file no later than the end of the subsequent reporting period as defined in section 1356.83(a) of this part (i.e., by September 30 or March 31).

(2) If a State agency fails to submit a corrected data file that meets the compliance standards in section 1356.85 of this part and the deadline in paragraph (e)(1) of this section, ACF will make a final determination that the State is out of compliance, notify the State agency, and apply penalties as defined in section 1356.86 of this part.

[73 FR 10365, Feb. 26, 2008]

§ 1356.86 Penalties for noncompliance.

(a) *Definition of Federal funds subject to a penalty.* The funds that are subject to a penalty are the CFCIP funds allocated or reallocated to the State agency under section 477(c)(1) of the Act for the Federal fiscal year that corresponds with the reporting period for which the State agency was required originally to submit data according to section 1356.83(a) of this part.

(b) *Assessed penalty amounts.* ACF will assess penalties in the following amounts, depending on the area of non-compliance:

(1) *Penalty for not meeting file submission standards.* ACF will assess a penalty in an amount equivalent to two and one half percent (2.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the file

submission standards defined in section 1356.85(a) of this part.

(2) *Penalty for not meeting certain data standards.* ACF will assess a penalty in an amount equivalent to:

(i) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the data standard for error-free data as defined in section 1356.85(b)(1) of this part.

(ii) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the outcome universe standard defined in section 1356.85(b)(2) of this part.

(iii) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the participation rate for youth in foster care standard defined in section 1356.85(b)(3)(i) of this part.

(iv) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a

final determination that the State agency's data file does not comply with the participation rate for discharged youth standard defined in section 1356.85(b)(3)(ii) of this part.

(c) *Calculation of the penalty amount.* ACF will add together any assessed penalty amounts described in paragraphs (b)(1) or (b)(2) of this section to determine the total calculated penalty result. If the total calculated penalty result is less than one percent of the funds subject to a penalty, the State agency will be penalized in the amount of one percent.

(d) *Notification of penalty amount.* ACF will advise the State agency in writing of a final determination of non-compliance and the amount of the total calculated penalty as determined in paragraph (c) of this section.

(e) *Interest.* The State agency will be liable for interest on the amount of funds penalized by the Department, in accordance with the provisions of 45 CFR 30.18.

(f) *Appeals.* The State agency may appeal, pursuant to 45 CFR part 16, ACF's final determination to the HHS Departmental Appeals Board.

APPENDIX C TO PART 1356—CALCULATING
SAMPLE SIZE FOR NYTD FOLLOW-UP
POPULATIONS

1. *Using Finite Population Correction*

The Finite Population Correction (FPC) is applied when the sample is drawn from a

population of one to 5,000 youth, because the sample is more than five percent of the population.

$$\bullet \text{ Sample size with FPC} = \frac{(\text{Py})(\text{Pn}) + \text{Std. error}^2}{\text{Std. error}^2 + \frac{(\text{Py})(\text{Pn})}{N}}$$

• (Py)(Pn), an estimate of the percent of responses to a dichotomous variable, is (.50)(.50) for the most conservative estimate.

$$\bullet \text{ Standard error} = \frac{\text{Acceptable level of error}}{Z \text{ coefficient}}$$

• Acceptable level of error = .05 (results are plus or minus five percentage points from the actual score)
 • Z = 1.645 (90 percent confidence interval)

$$\bullet \text{ Standard error, 90 percent confidence interval} = \frac{.05}{1.645} = .0303951$$

• N = number of youth from whom the sample is being drawn

2. *Not Using Finite Population Correction*

The FPC is not applied when the sample is drawn from a population of over 5,000 youth.

$$\bullet \text{ Sample size without FPC, 90 percent confidence interval} = \frac{(\text{Py})(\text{Pn})}{\text{Std. Error}^2} = \frac{(.50)(.50)}{(.0303951)^2} = 271$$

TITLE I—BLOCK GRANTS FOR TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

42 USC 601 note. SEC. 101. FINDINGS.

The Congress makes the following findings:

- (1) Marriage is the foundation of a successful society.
- (2) Marriage is an essential institution of a successful society which promotes the interests of children.
- (3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the well-being of children.
- (4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one-half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.
- (5) The number of individuals receiving aid to families with dependent children (in this section referred to as “AFDC”) has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children receiving AFDC benefits now live in homes in which no father is present.

(A)(i) The average monthly number of children receiving AFDC benefits—

- (I) was 3,300,000 in 1965;
- (II) was 6,200,000 in 1970;
- (III) was 7,400,000 in 1980; and
- (IV) was 9,300,000 in 1992.

(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.

(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and

if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

(7) An effective strategy to combat teenage pregnancy must address the issue of male responsibility, including statutory rape culpability and prevention. The increase of teenage pregnancies among the youngest girls is particularly severe and is linked to predatory sexual practices by men who are significantly older.

(A) It is estimated that in the late 1980's, the rate for girls age 14 and under giving birth increased 26 percent.

(B) Data indicates that at least half of the children born to teenage mothers are fathered by adult men. Available data suggests that almost 70 percent of births to teenage girls are fathered by men over age 20.

(C) Surveys of teen mothers have revealed that a majority of such mothers have histories of sexual and physical abuse, primarily with older adult men.

(8) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years on welfare once enrolled. These combined effects of "younger and longer" increase total AFDC costs per household by 25 percent to 30 percent for 17-year-olds.

(B) Children born out-of-wedlock have a substantially higher risk of being born at a very low or moderately low birth weight.

(C) Children born out-of-wedlock are more likely to experience low verbal cognitive attainment, as well as more child abuse, and neglect.

(D) Children born out-of-wedlock were more likely to have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(E) Being born out-of-wedlock significantly reduces the chances of the child growing up to have an intact marriage.

(F) Children born out-of-wedlock are 3 times more likely to be on welfare when they grow up.

(9) Currently 35 percent of children in single-parent homes were born out-of-wedlock, nearly the same percentage as that of children in single-parent homes whose parents are divorced (37 percent). While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

(B) Among single-parent families, nearly $\frac{1}{2}$ of the mothers who never married received AFDC while only $\frac{1}{5}$ of divorced mothers received AFDC.

(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

(D) Mothers under 20 years of age are at the greatest risk of bearing low birth weight babies.

(E) The younger the single-parent mother, the less likely she is to finish high school.

(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at \$120,000,000,000.

(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact 2-parent families.

(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas with higher percentages of single-parent households have higher rates of violent crime.

(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation's resident population were living with both parents.

(10) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in part A of title IV of the Social Security Act (as amended by section 103(a) of this Act) is intended to address the crisis.

SEC. 102. REFERENCE TO SOCIAL SECURITY ACT.

Except as otherwise specifically provided, wherever in this title an amendment is expressed in terms of an amendment to or repeal of a section or other provision, the reference shall be considered to be made to that section or other provision of the Social Security Act.

SEC. 103. BLOCK GRANTS TO STATES.

(a) IN GENERAL.—Part A of title IV (42 U.S.C. 601 et seq.) is amended—

(1) by striking all that precedes section 418 (as added by section 603(b)(2) of this Act) and inserting the following:

**“PART A—BLOCK GRANTS TO STATES FOR
TEMPORARY ASSISTANCE FOR NEEDY FAMILIES**

“SEC. 401. PURPOSE.

42 USC 601.

“(a) IN GENERAL.—The purpose of this part is to increase the flexibility of States in operating a program designed to—

“(1) provide assistance to needy families so that children may be cared for in their own homes or in the homes of relatives;

“(2) end the dependence of needy parents on government benefits by promoting job preparation, work, and marriage;

“(3) prevent and reduce the incidence of out-of-wedlock pregnancies and establish annual numerical goals for preventing and reducing the incidence of these pregnancies; and

“(4) encourage the formation and maintenance of two-parent families.

“(b) NO INDIVIDUAL ENTITLEMENT.—This part shall not be interpreted to entitle any individual or family to assistance under any State program funded under this part.

“SEC. 402. ELIGIBLE STATES; STATE PLAN.

42 USC 602.

“(a) IN GENERAL.—As used in this part, the term ‘eligible State’ means, with respect to a fiscal year, a State that, during the 2-year period immediately preceding the fiscal year, has submitted to the Secretary a plan that the Secretary has found includes the following:

“(1) OUTLINE OF FAMILY ASSISTANCE PROGRAM.—

“(A) GENERAL PROVISIONS.—A written document that outlines how the State intends to do the following:

“(i) Conduct a program, designed to serve all political subdivisions in the State (not necessarily in a uniform manner), that provides assistance to needy families with (or expecting) children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient.

“(ii) Require a parent or caretaker receiving assistance under the program to engage in work (as defined by the State) once the State determines the parent or caretaker is ready to engage in work, or once the parent or caretaker has received assistance under the program for 24 months (whether or not consecutive), whichever is earlier.

“(iii) Ensure that parents and caretakers receiving assistance under the program engage in work activities in accordance with section 407.

“(iv) Take such reasonable steps as the State deems necessary to restrict the use and disclosure of information about individuals and families receiving assistance under the program attributable to funds provided by the Federal Government.

“(v) Establish goals and take action to prevent and reduce the incidence of out-of-wedlock pregnancies, with special emphasis on teenage pregnancies, and establish numerical goals for reducing the illegitimacy

ratio of the State (as defined in section 403(a)(2)(B)) for calendar years 1996 through 2005.

“(vi) Conduct a program, designed to reach State and local law enforcement officials, the education system, and relevant counseling services, that provides education and training on the problem of statutory rape so that teenage pregnancy prevention programs may be expanded in scope to include men.

“(B) SPECIAL PROVISIONS.—

“(i) The document shall indicate whether the State intends to treat families moving into the State from another State differently than other families under the program, and if so, how the State intends to treat such families under the program.

“(ii) The document shall indicate whether the State intends to provide assistance under the program to individuals who are not citizens of the United States, and if so, shall include an overview of such assistance.

“(iii) The document shall set forth objective criteria for the delivery of benefits and the determination of eligibility and for fair and equitable treatment, including an explanation of how the State will provide opportunities for recipients who have been adversely affected to be heard in a State administrative or appeal process.

“(iv) Not later than 1 year after the date of enactment of this Act, unless the chief executive officer of the State opts out of this provision by notifying the Secretary, a State shall, consistent with the exception provided in section 407(e)(2), require a parent or caretaker receiving assistance under the program who, after receiving such assistance for 2 months is not exempt from work requirements and is not engaged in work, as determined under section 407(c), to participate in community service employment, with minimum hours per week and tasks to be determined by the State.

“(2) CERTIFICATION THAT THE STATE WILL OPERATE A CHILD SUPPORT ENFORCEMENT PROGRAM.—A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a child support enforcement program under the State plan approved under part D.

“(3) CERTIFICATION THAT THE STATE WILL OPERATE A FOSTER CARE AND ADOPTION ASSISTANCE PROGRAM.—A certification by the chief executive officer of the State that, during the fiscal year, the State will operate a foster care and adoption assistance program under the State plan approved under part E, and that the State will take such actions as are necessary to ensure that children receiving assistance under such part are eligible for medical assistance under the State plan under title XIX.

“(4) CERTIFICATION OF THE ADMINISTRATION OF THE PROGRAM.—A certification by the chief executive officer of the State specifying which State agency or agencies will administer and supervise the program referred to in paragraph (1) for the fiscal year, which shall include assurances that local governments and private sector organizations—

“(A) have been consulted regarding the plan and design of welfare services in the State so that services are provided in a manner appropriate to local populations; and

“(B) have had at least 45 days to submit comments on the plan and the design of such services.

“(5) CERTIFICATION THAT THE STATE WILL PROVIDE INDIANS WITH EQUITABLE ACCESS TO ASSISTANCE.—A certification by the chief executive officer of the State that, during the fiscal year, the State will provide each member of an Indian tribe, who is domiciled in the State and is not eligible for assistance under a tribal family assistance plan approved under section 412, with equitable access to assistance under the State program funded under this part attributable to funds provided by the Federal Government.

“(6) CERTIFICATION OF STANDARDS AND PROCEDURES TO ENSURE AGAINST PROGRAM FRAUD AND ABUSE.—A certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to ensure against program fraud and abuse, including standards and procedures concerning nepotism, conflicts of interest among individuals responsible for the administration and supervision of the State program, kickbacks, and the use of political patronage.

“(7) OPTIONAL CERTIFICATION OF STANDARDS AND PROCEDURES TO ENSURE THAT THE STATE WILL SCREEN FOR AND IDENTIFY DOMESTIC VIOLENCE.—

“(A) IN GENERAL.—At the option of the State, a certification by the chief executive officer of the State that the State has established and is enforcing standards and procedures to—

“(i) screen and identify individuals receiving assistance under this part with a history of domestic violence while maintaining the confidentiality of such individuals;

“(ii) refer such individuals to counseling and supportive services; and

“(iii) waive, pursuant to a determination of good cause, other program requirements such as time limits (for so long as necessary) for individuals receiving assistance, residency requirements, child support cooperation requirements, and family cap provisions, in cases where compliance with such requirements would make it more difficult for individuals receiving assistance under this part to escape domestic violence or unfairly penalize such individuals who are or have been victimized by such violence, or individuals who are at risk of further domestic violence.

“(B) DOMESTIC VIOLENCE DEFINED.—For purposes of this paragraph, the term ‘domestic violence’ has the same meaning as the term ‘battered or subjected to extreme cruelty’, as defined in section 408(a)(7)(C)(iii).

“(b) PUBLIC AVAILABILITY OF STATE PLAN SUMMARY.—The State shall make available to the public a summary of any plan submitted by the State under this section.

“SEC. 403. GRANTS TO STATES.

42 USC 603.

“(a) GRANTS.—

“(1) FAMILY ASSISTANCE GRANT.—

“(A) IN GENERAL.—Each eligible State shall be entitled to receive from the Secretary, for each of fiscal years 1996, 1997, 1998, 1999, 2000, 2001, and 2002, a grant in an amount equal to the State family assistance grant.

“(B) STATE FAMILY ASSISTANCE GRANT DEFINED.—As used in this part, the term ‘State family assistance grant’ means the greatest of—

“(i) $\frac{1}{3}$ of the total amount required to be paid to the State under former section 403 (as in effect on September 30, 1995) for fiscal years 1992, 1993, and 1994 (other than with respect to amounts expended by the State for child care under subsection (g) or (i) of former section 402 (as so in effect));

“(II) an amount equal to 85 percent of the amount (if any) by which the total amount required to be paid to the State under former section 403(a)(5) for emergency assistance for fiscal year 1995 exceeds the total amount required to be paid to the State under former section 403(a)(5) for fiscal year 1994, if, during fiscal year 1994 or 1995, the Secretary approved under former section 402 an amendment to the former State plan with respect to the provision of emergency assistance; or

“(iii) $\frac{4}{3}$ of the total amount required to be paid to the State under former section 403 (as in effect on September 30, 1995) for the 1st 3 quarters of fiscal year 1995 (other than with respect to amounts expended by the State under the State plan approved under part F (as so in effect) or for child care under subsection (g) or (i) of former section 402 (as so in effect)), plus the total amount required to be paid to the State for fiscal year 1995 under former section 403(l) (as so in effect).

“(i) in the case of a State to which section 1108 does not apply, the sum of—

“(I) the Federal share of maintenance assistance expenditures for the fiscal year, before reduction pursuant to subparagraph (B) or (C) of section 403(b)(2) (as in effect on September 30, 1995), as reported by the State on ACF Form 231;

“(C) DEFINITIONS.—As used in this paragraph:

“(i) ELIGIBLE STATE.—

“(I) IN GENERAL.—The term ‘eligible State’ means a State that the Secretary determines meets the following requirements:

“(aa) The State demonstrates that the number of out-of-wedlock births that occurred in the State during the most recent 2-year period for which such information is available decreased as compared to the number of such births that occurred during the previous 2-year period, and the magnitude of the decrease for the State for the period is not exceeded by the magnitude of the corresponding decrease for 5 or more other States for the period.

“(bb) The rate of induced pregnancy terminations in the State for the fiscal year is less than the rate of induced pregnancy terminations in the State for fiscal year 1995.

“(II) DISREGARD OF CHANGES IN DATA DUE TO CHANGED REPORTING METHODS.—In making the determination required by subclause (I), the Secretary shall disregard—

“(aa) any difference between the number of out-of-wedlock births that occurred in a State for a fiscal year and the number of out-of-wedlock births that occurred in a State for fiscal year 1995 which is attributable to a change in State methods of reporting data used to calculate the number of out-of-wedlock births; and

“(I) the amount (if any) required to be paid to the State under this paragraph for the immediately preceding fiscal year; and

“(II) 2.5 percent of the sum of—

“(aa) the total amount required to be paid to the State under former section 403 (as in effect during fiscal year 1994) for fiscal year 1994; and

“(bb) the amount (if any) required to be paid to the State under this paragraph for the fiscal year preceding the fiscal year for which the grant is to be made.

“(B) PRESERVATION OF GRANT WITHOUT INCREASES FOR STATES FAILING TO REMAIN QUALIFYING STATES.—Each State that is not a qualifying State for a fiscal year specified in subparagraph (A)(ii) but was a qualifying State for a prior fiscal year shall, subject to subparagraph (F), be entitled to receive from the Secretary for the specified fiscal year, a grant in an amount equal to the amount required to be paid to the State under this paragraph for the most recent fiscal year for which the State was a qualifying State.

“(C) QUALIFYING STATE.—

“(i) IN GENERAL.—For purposes of this paragraph, a State is a qualifying State for a fiscal year if—

“(II) the population growth rate of the State (as determined by the Bureau of the Census) for the most recent fiscal year for which information is available exceeds the average population growth rate for all States (as so determined) for such most recent fiscal year.

“(ii) STATE MUST QUALIFY IN FISCAL YEAR 1997.—Notwithstanding clause (i), a State shall not be a qualifying State for any fiscal year after 1998 by reason

of clause (i) if the State is not a qualifying State for fiscal year 1998 by reason of clause (i).

“(iii) CERTAIN STATES DEEMED QUALIFYING STATES.—For purposes of this paragraph, a State is deemed to be a qualifying State for fiscal years 1998, 1999, 2000, and 2001 if—

“(I) the level of welfare spending per poor person by the State for fiscal year 1994 is less than 35 percent of the national average level of State welfare spending per poor person for fiscal year 1994; or

“(II) the population of the State increased by more than 10 percent from April 1, 1990 to July 1, 1994, according to the population estimates in publication CB94-204 of the Bureau of the Census.

“(I) the total amount required to be paid to the States under former section 403 (as in effect during fiscal year 1994) for fiscal year 1994; divided by

“(II) the number of individuals, according to the 1990 decennial census, who were residents of any State and whose income was below the poverty line.

“(iii) STATE.—The term ‘State’ means each of the 50 States of the United States and the District of Columbia.

“(E) APPROPRIATION.—Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated for fiscal years 1998, 1999, 2000, and 2001 such sums as are necessary for grants under this paragraph, in a total amount not to exceed \$800,000,000.

“(F) GRANTS REDUCED PRO RATA IF INSUFFICIENT APPROPRIATIONS.—If the amount appropriated pursuant to this paragraph for a fiscal year is less than the total amount

of payments otherwise required to be made under this paragraph for the fiscal year, then the amount otherwise payable to any State for the fiscal year under this paragraph shall be reduced by a percentage equal to the amount so appropriated divided by such total amount.

“(G) BUDGET SCORING.—Notwithstanding section 257(b)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985, the baseline shall assume that no grant shall be made under this paragraph after fiscal year 2001.

“(B) AMOUNT OF GRANT.—

“(i) IN GENERAL.—Subject to clause (ii) of this subparagraph, the Secretary shall determine the amount of the grant payable under this paragraph to a high performing State for a bonus year, which shall be based on the score assigned to the State under subparagraph (D)(i) for the fiscal year that immediately precedes the bonus year.

“(ii) LIMITATION.—The amount payable to a State under this paragraph for a bonus year shall not exceed 5 percent of the State family assistance grant.

“(C) FORMULA FOR MEASURING STATE PERFORMANCE.—Not later than 1 year after the date of the enactment of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the Secretary, in consultation with the National Governors’ Association and the American Public Welfare Association, shall develop a formula for measuring State performance in operating the State program funded under this part so as to achieve the goals set forth in section 401(a).

“(D) SCORING OF STATE PERFORMANCE; SETTING OF PERFORMANCE THRESHOLDS.—For each bonus year, the Secretary shall—

“(i) use the formula developed under subparagraph (C) to assign a score to each eligible State for the fiscal year that immediately precedes the bonus year; and

“(ii) prescribe a performance threshold in such a manner so as to ensure that—

“(I) the average annual total amount of grants to be made under this paragraph for each bonus year equals \$200,000,000; and

“(II) the total amount of grants to be made under this paragraph for all bonus years equals \$1,000,000,000.

“(ii) HIGH PERFORMING STATE.—The term ‘high performing State’ means, with respect to a bonus year, an eligible State whose score assigned pursuant to subparagraph (D)(i) for the fiscal year immediately preceding the bonus year equals or exceeds the

performance threshold prescribed under subparagraph (D)(ii) for such preceding fiscal year.

“(F) APPROPRIATION.—Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated for fiscal years 1999 through 2003 \$1,000,000,000 for grants under this paragraph.

“(1) ESTABLISHMENT.—There is hereby established in the Treasury of the United States a fund which shall be known as the ‘Contingency Fund for State Welfare Programs’ (in this section referred to as the ‘Fund’).

“(2) DEPOSITS INTO FUND.—Out of any money in the Treasury of the United States not otherwise appropriated, there are appropriated for fiscal years 1997, 1998, 1999, 2000, and 2001 such sums as are necessary for payment to the Fund in a total amount not to exceed \$2,000,000,000.

“(3) GRANTS.—

“(A) PROVISIONAL PAYMENTS.—If an eligible State submits to the Secretary a request for funds under this paragraph during an eligible month, the Secretary shall, subject to this paragraph, pay to the State, from amounts appropriated pursuant to paragraph (2), an amount equal to the amount of funds so requested.

“(B) PAYMENT PRIORITY.—The Secretary shall make payments under subparagraph (A) in the order in which the Secretary receives requests for such payments.

“(C) LIMITATIONS.—

“(i) MONTHLY PAYMENT TO A STATE.—The total amount paid to a single State under subparagraph (A) during a month shall not exceed $\frac{1}{12}$ of 20 percent of the State family assistance grant.

that is accessible to the individual and the value of which is not less than the value of the assistance which the individual would have received from such organization.

TITLE IV—RESTRICTING WELFARE AND PUBLIC BENEFITS FOR ALIENS

8 USC 1601.

SEC. 400. STATEMENTS OF NATIONAL POLICY CONCERNING WELFARE AND IMMIGRATION.

The Congress makes the following statements concerning national policy with respect to welfare and immigration:

(1) Self-sufficiency has been a basic principle of United States immigration law since this country's earliest immigration statutes.

(2) It continues to be the immigration policy of the United States that—

(A) aliens within the Nation's borders not depend on public resources to meet their needs, but rather rely on their own capabilities and the resources of their families, their sponsors, and private organizations, and

(B) the availability of public benefits not constitute an incentive for immigration to the United States.

(3) Despite the principle of self-sufficiency, aliens have been applying for and receiving public benefits from Federal, State, and local governments at increasing rates.

(4) Current eligibility rules for public assistance and unenforceable financial support agreements have proved wholly incapable of assuring that individual aliens not burden the public benefits system.

(5) It is a compelling government interest to enact new rules for eligibility and sponsorship agreements in order to assure that aliens be self-reliant in accordance with national immigration policy.

(6) It is a compelling government interest to remove the incentive for illegal immigration provided by the availability of public benefits.

(7) With respect to the State authority to make determinations concerning the eligibility of qualified aliens for public benefits in this title, a State that chooses to follow the Federal classification in determining the eligibility of such aliens for public assistance shall be considered to have chosen the least restrictive means available for achieving the compelling governmental interest of assuring that aliens be self-reliant in accordance with national immigration policy.

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under title XIX;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under title XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1902(a)(10)(A)(i)(I); and

(D) in determining cost-sharing requirements, the State shall take into consideration the circumstances of the adopting parent or parents and the needs of the child being adopted consistent, to the extent coverage is provided through a State medical assistance program, with the rules under such program;

(iii) this subparagraph shall not be construed to require the State to have completed, within the applicable period, the parts of the home study involving the education and training of the prospective foster or adoptive parents;

(B) the State shall treat any report described in subparagraph (A) that is received from another State or an Indian tribe (or from a private agency under contract with another State) as meeting any requirements imposed by the State for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the State determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child; and

SEC. 472. [42 U.S.C. 672] (a) IN GENERAL.—

(1) **ELIGIBILITY.**—Each State with a plan approved under this part shall make foster care maintenance payments on behalf of each child who has been removed from the home of a relative specified in section 406(a) (as in effect on July 16, 1996) into foster care if—

- (A) the removal and foster care placement met, and the placement continues to meet, the requirements of paragraph (2); and
- (B) the child, while in the home, would have met the AFDC eligibility requirement of paragraph (3).

(2) **REMOVAL AND FOSTER CARE PLACEMENT REQUIREMENTS.**—The removal and foster care placement of a child meet the requirements of this paragraph if—

(A) the removal and foster care placement are in accordance with—

- (i) a voluntary placement agreement entered into by a parent or legal guardian of the child who is the relative referred to in paragraph (1); or
- (ii) a judicial determination to the effect that continuation in the home from which removed would be contrary to the welfare of the child and that reasonable efforts of the type described in section 471(a)(15) for a child have been made;

(B) the child's placement and care are the responsibility of—

- (i) the State agency administering the State plan approved under section 471; or
- (ii) any other public agency with which the State agency administering or supervising the administration of the State plan has made an agreement which is in effect; and
- (iii) an Indian tribe or a tribal organization (as defined in section 479B(a)) or a tribal consortium that has a plan approved under section 471 in accordance with section 479B; and

(C) the child has been placed in a foster family home or child-care institution.

(3) **AFDC ELIGIBILITY REQUIREMENT.**—

(A) **IN GENERAL.**—A child in the home referred to in paragraph (1) would have met the AFDC eligibility requirement of this paragraph if the child—

- (i) would have received aid under the State plan approved under section 402 (as in effect on July 16, 1996) in the home, in or for the month in which the agreement was entered into or court proceedings leading to the determination referred to in paragraph (2)(A)(ii) of this subsection were initiated; or
- (ii) (I) would have received the aid in the home, in or for the month referred to in clause (i), if application had been made therefor; or
(II) had been living in the home within 6 months before the month in which the agreement was entered into or the proceedings were initiated, and would have received the aid in or for such month, if, in such month, the child had been living in the home with the relative referred to in paragraph (1) and application for the aid had been made.

(B) **RESOURCES DETERMINATION.**—For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 402 (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 402(a)(7)(B), as so in effect) have a combined value of not more than \$10,000 shall be considered a child whose resources have a combined value of not more than \$1,000 (or such lower amount as the State may determine for purposes of section 402(a)(7)(B)).

(4) **ELIGIBILITY OF CERTAIN ALIEN CHILDREN.**—Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996^[238], if the child is an alien disqualified under section 245A(h) or 210(f) of the Immigration and Nationality Act^[239] from receiving aid under the State plan approved under section 402 in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(b) Foster care maintenance payments may be made under this part only on behalf of a child described in subsection (a) of this section who is—

(1) in the foster family home of an individual, whether the payments therefor are made to such individual or to a public or private child-placement or child-care agency, or

(2) in a child-care institution, whether the payments therefor are made to such institution or to a public or private child-placement or child-care agency, which payments shall be limited so as to include in such payments only those items which are included in the term “foster care maintenance payments” (as defined in section 475(4)).

(c) For the purposes of this part, (1) the term “foster family home” means a foster family home for children which is licensed by the State in which it is situated or has been approved, by the agency of such State having responsibility for licensing homes of this type, as meeting the standards established for such licensing; and (2) the term “child-care institution” means a private child-care institution, or a public child-care institution which accommodates no more than twenty-five children, which is licensed by the State in which it is situated or has been approved, by the agency of such State responsible for licensing or approval of institutions of this type, as meeting the standards established for such licensing, except, in the case of a child who has attained 18 years of age, the term shall include a supervised setting in which the individual is living independently, in accordance with such conditions as the Secretary shall establish in regulations, but the term shall not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

(d) Notwithstanding any other provision of this title, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a), only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 422(b)(8).

(e) No Federal payment may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of any child who was removed from his or her home pursuant to a voluntary placement agreement as described in subsection (a) and has remained in voluntary placement for a period in excess of 180 days, unless there has been a judicial determination by a court of competent jurisdiction (within the first 180 days of such placement) to the effect that such placement is in the best interests of the child.

(f) For the purposes of this part and part B of this title, (1) the term “voluntary placement” means an out-of-home placement of a minor, by or with participation of a State agency, after the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term “voluntary placement agreement” means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a), and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h)(1) For purposes of title XIX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 406 (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this title (as so in effect). For purposes of subtitle I of title XX, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this title and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 475(4)(B), shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) ADMINISTRATIVE COSTS ASSOCIATED WITH OTHERWISE ELIGIBLE CHILDREN NOT IN LICENSED FOSTER CARE SETTINGS.—Expenditures by a State that would be considered administrative expenditures for purposes of section 474(a)(3) if made with respect to a child who was residing in a foster family home or childcare institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of this section from the home of a relative specified in section 406(a) (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part

into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section [471\(a\)\(15\)](#) to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

(II) TRANSITION PERIOD FOR EARLY APPROVED TRIBES, ORGANIZATIONS, OR CONSORTIA.—Subject to clause (v), if the tribe, organization, or consortium is an early approved tribe, organization, or consortium (as defined in subclause (III) of this clause), the Secretary shall not require the tribe, organization, or consortium to comply with such regulations before October 1, 2013. Until the earlier of the date such tribe, organization, or consortium comes into compliance with such regulations or October 1, 2013, the limitations on the claiming of in-kind expenditures from third-party sources under clause (ii) shall continue to apply to such tribe, organization, or consortium (without regard to fiscal limitation) for purposes of determining the non-Federal share of amounts expended by the tribe, organization, or consortium during any fiscal year quarter that begins after September 30, 2011, and before such date of compliance or October 1, 2013, whichever is earlier.

(III) DEFINITION OF EARLY APPROVED TRIBE, ORGANIZATION, OR CONSORTIUM.—For purposes of subclause (II) of this clause, the term “early approved tribe, organization, or consortium” means an Indian tribe, tribal organization, or tribal consortium that had a plan approved under section 471 in accordance with this section for any quarter of fiscal year 2010 or 2011.

(2) CONSIDERATION OF OTHER INFORMATION.—Before making a calculation under paragraph (1), the Secretary shall consider any information submitted by an Indian tribe, a tribal organization, or a tribal consortium that the Indian tribe, tribal organization, or tribal consortium considers relevant to making the calculation of the per capita income of the Indian tribe, tribal organization, or tribal consortium.

(e) NONAPPLICATION TO COOPERATIVE AGREEMENTS AND CONTRACTS.—Any cooperative agreement or contract entered into between an Indian tribe, a tribal organization, or a tribal consortium and a State for the administration or payment of funds under this part that is in effect as of the date of enactment of this section shall remain in full force and effect, subject to the right of either party to the agreement or contract to revoke or modify the agreement or contract pursuant to the terms of the agreement or contract. (Only Those Sections With Amendments Are Shown.)

009. CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.

01. Criminal History and Background Check. 05. Administrative Review. An administrative review for a waiver may consist of a review of documents and supplemental information provided by the individual, a telephone interview, an in-person interview, or any other review deemed necessary by the Department. The thirty (30) day period for submitting a request for a waiver may be extended by the Department for good cause. (7-1-16)

07. Scheduling of Administrative Review. Upon receipt of a written request for a waiver, the Department will determine the type of administrative review to be held, and conduct the review within thirty (30) business days from the date of receipt. When an in-person review is appropriate, the Department will provide the individual at least seven (7) days notice of the review date. (7-1-16)

08. Factors Considered During Administrative Review. During the administrative review, the following factors may be considered: (7-1-16)

09. Administrative Review Decision. A notice of decision will be issued by the Department within fifteen (15) business days of completion of the administrative review. (7-1-16)

10. Decision to Grant Waiver. The Department's decision to grant a waiver does not set a precedent for subsequent requests by an individual for a waiver. A waiver granted under these rules is not a criminal history and background check clearance. A waiver is only applicable to the specified individual on the waiver and for behavioral health services and programs governed under these rules. The waiver does not apply to other Department programs that require a clearance for a Department criminal history and background check. (7-1-16)

11. Revocation of Waiver. At any time, the Department may revoke a waiver at its discretion for circumstances that it identifies as a risk to participants' health and safety. (7-1-16)

12. Waiver Decisions Are Not Subject to Review or Appeal. The decision or actions of the Department concerning a waiver are not subject to review or appeal, administratively, or otherwise. (7-1-16)

13. Employer Responsibilities. A waiver granted by the Department is not a determination of suitability for employment. The employer is responsible for reviewing the results of a criminal history and background check even when a clearance is issued or a waiver is granted. Making a determination as to the ability or risk of the individual to provide direct care services or to serve in a position that requires regular contact with children and vulnerable adults is the responsibility of the employer. DOCKET NO. 16-0717-1701

NOTICE OF RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Title 39, Chapter 31, Idaho Code, and Section 56-1003, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than September 20, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The Division of Behavioral Health promulgated rules effective July 1, 2016, that removed the process for the Department's Criminal History and Background Checks from this chapter and added them into IDAPA 16.07.15, "Behavioral Health Programs." The unintended consequence of this action has been that providers of Recovery Support Services (RSS) only are unable to access the Behavioral Health waiver process established in rule when a Department Criminal History Check clearance is denied for an individual wanting to provide peer services.

This rule change reinstates the Behavioral Health waiver process for "Recovery Support Services only" providers that are providing peer services. The Legal Authority section of these rules is being updated for statutes necessary for this requirement.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year as a result of this rulemaking:

There is no anticipated fiscal impact to the State General Fund or any other funds for this rule change. This rulemaking is intended to be cost-neutral.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was not conducted. The Department determined it was not feasible to do negotiated rulemaking as this rule change adds reference language for the Behavioral Health waiver process for peers providing Recovery Support Services when a criminal history clearance is denied. Providers and affected parties have requested the Department reinstate this process that was previously available.

INCORPORATION BY REFERENCE: No materials are being incorporated by reference into these rules.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the proposed rule, contact Treena Clark at (208) 334-6611.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before September 27, 2017.

DOCKET NO. 16-0733-1701

NOTICE OF RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 39-3133, and 56-1003, 56-1004A, 56-1007, and 56-1009, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than September 20, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This rulemaking clarifies that the Behavioral Health waiver process is for individuals who have lived experience and are seeking to provide services as a peer, but whose Department Criminal History Check was denied. The waiver process in this chapter is being removed as being redundant and these rules refer to the Behavioral Health Waiver described in IDAPA 16.07.15, "Behavioral Health Programs."

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year as a result of this rulemaking:

There is no anticipated fiscal impact to the State General Fund or any other funds for this rule change. This rulemaking is intended to be cost-neutral.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was not conducted. The Department determined it was not feasible to do negotiated rulemaking as this rule change simply adds reference language for the Behavioral Health waiver process for peers in another chapter of rules.

INCORPORATION BY REFERENCE: No materials are being incorporated by reference into these rules.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the proposed rule, contact Treena Clark at (208) 334-6611.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before September 27, 2017.

DATED this 4th day of August, 2017.
