

STATEMENT OF PURPOSE

RS26492

Section 67-1911, Idaho Code, establishes a committee that needlessly duplicates processes that occur in the development of the state's Budget Development Manual as specified in Section 67-3502, Idaho Code. As a result, the committee has not been active and should be removed from Code.

FISCAL NOTE

This legislation will have no fiscal impact. While the bill eliminates a committee, the committee has not been active and, therefore, there are no expected savings to the state's General Fund.
