

STATEMENT OF PURPOSE

RS26724

In Idaho, there are approximately 13 currently operating theaters built before 1950. This bill provides an exception for theaters built before 1950 and also listed on the national register of historic places the option of providing retail sale and consumption of beer and wine. Many of these theaters operate as a multi-purpose facility, offering concerts, plays, special events, and movies, and are unable to make layout or design changes because of their historic designation.

FISCAL NOTE

The fiscal impact to the general fund is minimal because only a limited number of Historic Theaters will apply for a beer and wine license.
