

## STATEMENT OF PURPOSE

### RS26672

The intent of this legislation is to amend Idaho Code § 40-1309 by increasing the threshold value of no longer useful and/or surplus personal and real property owned by local highway districts. This legislation would allow a local highway district to sell this property without holding a public hearing as long as its value does not exceed \$10,000.

### FISCAL NOTE

There is no fiscal impact to the State General Fund. Local highway districts may retain proceeds from the sale of surplus equipment.
