

STATEMENT OF PURPOSE

RS27031C1

This Joint Memorial states the huge economic impact of the Mountain Home Air Force Base to the city of Mountain Home, to southwestern Idaho, and to the entire State of Idaho. It also outlines the challenges the base faces with the availability of water due to a declining aquifer, and the risk of the base closing if we do not solve the water supply situation. The Joint Memorial explains the Mountain Home Air Force Base Sustainable Water Supply Project and its proposed actions.

FISCAL NOTE

This Joint Memorial has no fiscal impact on the General Fund. Any expenditures of General Fund dollars will be covered in other legislation.
