NOTICE OF OMNIBUS RULEMAKING – PROPOSED RULE

AUTHORITY: In compliance with Sections 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections (Alcohol Beverage Control) 23-616, 23-932, 23-946, 23-1010(7), 23-1011A, 23-1330, 23-1408, (Bureau of Criminal Identification) 67-3001, 67-3003, 67-3004, 67-3007, and 67-3010, Idaho Code.

PUBLIC HEARING SCHEDULE: Opportunity for presentation of oral comments concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of the purpose of the proposed rulemaking:

This proposed rulemaking re-publishes the following existing temporary rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 11, rules of the Idaho State Police:

IDAPA 11

- 11.05.01, *Rules Governing Alcohol Beverage Control*; and
- 11.10.02, *Rules Governing State Criminal History Records and Crime Information*.

FEE SUMMARY: This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously submitted to and reviewed by the Idaho Legislature in the prior rules.

The following is a specific description of the fees or charges:

- 11.05.01.013.01 – Priority list fee
- 11.05.01.013.03 – Licensing fee return provision

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2021 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rules attached hereto.

Such application need not show any particular building or premises upon which the liquor is to be sold, nor that the applicant is the holder of any license to sell beer. Priority on the list is determined by the earliest application, each succeeding application is placed on the list in the order received. ()

02. Written Notification. When an incorporated city liquor license becomes available Alcohol Beverage Control offers it in writing to the applicant whose name appears first on the priority list. If the applicant does not notify the Alcohol Beverage Control Bureau in writing within ten (10) days of receipt of the notice of his intention to accept the license, the license is offered to the next applicant in priority. An applicant accepting the license shall have a period of one hundred eighty (180) days from the date of receipt of Notice of License Availability in which to complete all requirements necessary for the issuance of the license. Provided, however, that upon a showing of good cause the Director of the Idaho State Police may extend the time period in which to complete the

03. Refusal to Accept Offer of License or Failure to Complete Application for License. An applicant refusing a license offered under this rule or an applicant who fails to complete his application may have his name placed at the end of the priority list upon his request. Should the applicant holding first priority refuse or fail to accept the license or to complete the application within the time specified, the applicant shall be dropped from the priority list, the deposit refunded, and the license offered to the applicant appearing next on the list. ()

04. Limitations on Priority Lists. An applicant shall hold only one position at a time on each incorporated city priority list. An applicant must be able to demonstrate to the Director the ability to place an awarded license into actual use as required by Section 23-908(4), Idaho Code and these rules. An applicant for a place on an incorporated city liquor license priority list may not execute an inter vivos transfer or assignment of his place on the priority lists. For the purposes of this rule, "inter vivos transfer or assignment" means the substitution of any individual; partnership; corporation, including a wholly owned corporation; organization; association; or any other entity for the original applicant on the waiting list. An attempt to assign inter vivos a place on an incorporated city liquor license priority list shall result in the removal of the name of the applicant from the lists. An applicant, however, may assign his or her place on an alcoholic liquor license priority list by devise or bequest in a valid will. A place on an incorporated city liquor license priority list becomes part of an applicant's estate upon his or her death. ()

05. Priority Lists Where Licenses Are Available. The Alcohol Beverage Control Bureau shall not maintain a list for a city in which a liquor license is available, nor for a city that does not permit retail sale of liquor. ()

014. CONDUCT OF LICENSED PREMISES.

Upon request of a peace officer, a licensee, or anyone acting on his behalf, must permit an inspection of the licensee's premises. Any inspection performed pursuant to this rule must occur during the licensee's regular and usual business hours. The failure to produce such records or to permit such inspection on the part of any licensee is a violation of this rule. A violation of this rule, federal or state law or local code or ordinance may subject the licensee to administrative sanctions pursuant to Sections 23-933, 23-1037 and 23-1331, Idaho Code. ()
