## DOCKET NO. 25-0101-2000F (FEE RULE)

### NOTICE OF OMNIBUS RULEMAKING – ADOPTION OF TEMPORARY RULE

**EFFECTIVE DATE:** The effective date of the temporary rule being adopted through this omnibus rulemaking is the adjournment date of the second regular session of the 65th Idaho State Legislature - March 20, 2020.

**AUTHORITY:** In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 36-2107, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This temporary rulemaking adopts the following chapter under IDAPA 25:

#### **IDAPA 25**

- 25.01.01 *Rules of the Outfitters and Guides Licensing Board*

**TEMPORARY RULE JUSTIFICATION:** Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

**FEE SUMMARY:** Pursuant to Section 67-5226(2), the Governor has found that the fee(s) or charge(s) being imposed or increased is justified and necessary to avoid immediate danger and the fee(s) is described herein:

The fees or charges, authorized in Section 36-2108, Idaho Code, are part of the agency's 2021 budget that relies upon the existence of these fees or charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget.

The following is a specific description of the fees or charges:

- Outfitters: application fee: \$400; annual license fee online: \$400; annual license fee offline: \$450; late penalty: \$150; major amendment: \$200; and minor amendment: \$35.
- Designated Agents: application fee: \$50; annual license fee online: \$140; annual license fee offline: \$160; major amendment: \$20; and minor amendment: \$20.
- Guides: application fee: \$20; annual license fee online: \$105; annual license fee offline: \$115; major amendment: \$20; and minor amendment: \$20.

**02. Other Activities.** Any arrangement wherein an outfitter licensed to conduct outfitted activity(ies) in an operating area(s) knowingly allows, condones, or otherwise abets and supports the conduct of outfitting activity(ies) by another, wherein said outfitter does not assume full and complete responsibility for all clients booked

for such activity(ies), constitutes an unlawful third party agreement. Complete responsibility includes providing liability insurance to cover the client, collection of fees paid for the activity(ies), payment of user fees and taxes, and making the client aware as to who is the responsible outfitter(s). Such unlawful activity(ies) is grounds for discipline as unethical and unprofessional conduct in addition to any other penalties which may be assessed for violations of these rules or the laws of the state of Idaho. (3-20-20)T

**024. STANDARDS FOR NON-USE.**

In order to carry out the intent of the Act to promote and encourage participation in the enjoyment and use of the state's natural resources and fish and game and ensure an outfitter adequately serves the public, the Board will monitor, prioritize, and fairly administer identified remedies based on, among other factors, interest or demand for the particular activity or area and as set forth in this rule. (3-20-20)T

**01. Requirement.** The Board may annually review the outfitter's use reports for the preceding three (3) years to determine whether any licensed activity or operating area fall within non-use. If the outfitter falls within non-use, a "notice of non-use" may be issued to the outfitter. (3-20-20)T

**02. Definitions.** (3-20-20)T

**a.** Non-use. When an outfitter is making zero (0) or negligible use of major licensed activities for any two (2) of the three (3) preceding years unless the lack of use is due to an act of nature or because of state or federal agency restrictions on hunting or fishing that limit the ability of the outfitter to seek and accommodate clients; (3-20-20)T

**b.** Zero (0) use. No recorded use by an outfitter of their licensed area or activities; (3-20-20)T

**c.** Negligible use. An unreasonable lack of use as determined by the Board for any one (1) or more of the particular activities in the assigned operating area. Typically, use may be determined by comparison of use levels for the same activity(s) in similar operating areas. Other factors in determining use are found in Subsection 024.04. (3-20-20)T

**03. Process.** (3-20-20)T

**a.** The notice of non-use will include the activity(s) and operating area(s) that appear to be in non-use and an explanation of how the determination was made. The outfitter will be given the opportunity to correct the use records by supplying staff with evidence of use, prior to a hearing being scheduled. If adequate proof of use is not provided, the matter will be scheduled for a hearing. (3-20-20)T

**b.** When the Board determines that any activity or operating area has had zero (0) use or negligible use, certain requirements may be imposed by the Board up to and including revocation of some or all of the outfitter's operating areas and activities. (3-20-20)T

**06. Non-Use During a Sale.** Board staff reviews all full or partial business sales for non-use. If it is determined a major activity or operating area has had zero (0) or negligible use, the Board may review the sale and the issuance of a license may be denied. In some instances the Board may approve the sale with notification to the buyer that use must be established within the following two (2) out of the next three (3) years or the area or activity may be removed from their license. (3-20-20)T

**07. Waiver of Compliance.** The Board may waive compliance with the non-use standard upon a showing of good cause, including an act of nature, state or federal agency seasonal restrictions on hunting or fishing or personal circumstances such as illness or injury that limit the ability of the outfitter to seek and accommodate clients. An outfitter must apply for a waiver prior to the beginning of the license year or immediately upon the event constituting good cause. If a federal permit holder is requesting zero (0) or negligible use, the request for a waiver must be accompanied by a Land Manager's Statement. (3-20-20)T

**025. OUTFITTER RENEWAL.**

**052. BOAT TRANSPORT OF HUNTING CLIENTS.**

A boatman licensee (either power or float) must not transport big game hunters to any big game hunting area unless licensed to outfit for big game hunting in that area or is in the employ of the licensed outfitter for that area. (3-20-20)T

**053. CONTROLLED HUNTS OUTSIDE OUTFITTER'S OPERATING AREA.**

The Board may authorize an outfitter who is licensed for a controlled hunt species to conduct a one-time hunt for a controlled hunt outside of the outfitter's licensed area when the outfitter submits a minor amendment fee and a written request with the following: (3-20-20)T

- 01. Written Permission.** Written permission from all outfitters whose licensed area(s) will be directly involved in the hunt and all applicable landowners or land managers; (3-20-20)T
- 02. Identification of Hunter.** The hunter name and address, hunting license, tag and permit numbers, controlled hunt number, and dates of hunt. (3-20-20)T
- 03. Compensation Between Outfitters.** No compensation is permitted between outfitters participating in the conduct of a controlled hunt in another outfitter's area, unless the outfitter supplies a service for that compensation. (3-20-20)T

**054. BOAT EQUIPMENT REQUIREMENTS.**

Each float or power boat must be identified as follows: (3-20-20)T

- 01. Identification.** Identification recorded with the Board on the outfitter application consisting of

words, names, or letters not less than three (3) inches in height, and be of a contrasting color indicating the current licensed outfitter and that is placed above the water line on each side of the bow or stern of the boat utilized by that outfitter in letters. (Does not apply to single person boats or two (2) person inflatable boats). (3-20-20)T

**02. Clearwater.** On Sections CL2 and CL3 of the Clearwater River, a sticker affixed to the surface of any boat used for anadromous fishing that is not less than eight (8) inches in height and placed immediately adjacent to the identification words, names or letters on each side of the boat towards the bow, identifying the boat as operated by a licensed outfitter. Stickers will be provided and sold annually by the Board or a vendor designated by the Board. (3-20-20)T

**055. BOATING CLIENT/GUIDE RATIO.**

All float boats, occupied by three (3) or more clients, must be under the control of a licensed guide; except a boat guide trainee may operate a boat under the direct supervision of a licensed boatman, or may train as indicated in Section 040. Kayaks and canoes and clients rowing rafts that they provide are exempt from this rule. (3-20-20)T

**056. (RESERVED)**

**057. DESIGNATION OF ALLOCATED DEER AND ELK TAGS.**

Beginning with the 2021 big game season setting, the Board will designate allocated tags to eligible outfitter operations as prescribed by Section 36-2107(j), Idaho Code, and when necessary, based on an outfitter's proportional use within the capped zone or controlled hunt zone, unit, or game management area as set forth in this section. For purposes of this section, an eligible outfitter operation is an outfitter whose licensed activities include hunting the species for the type of allocated tag being designated. (3-20-20)T

**01. Calculation and Designation of Allocated Tags.** Pursuant to Section 36-2107(j), Idaho Code and as set forth below, an outfitter's number of designated allocated tags will be the outfitter's base allocation number plus a proportional share of any surplus allocated tags based on outfitted tag use as set forth below, or when there is an insufficient number of allocated tags to satisfy each outfitter's base allocation, the outfitter's proportional use. The result is the number of allocated tags designated for the outfitter operation. The Board will notify outfitters of the number of designated allocated tags and the underlying basis for the designation. The designation applies until the next big game season setting by the Idaho Fish and Game Commission. (3-20-20)T

**a.** An outfitter's base allocation number is: (3-20-20)T

**i.** For a capped zone, the average of the last two (2) years of an outfitter's outfitted tag use. (3-20-20)T

**ii.** For a controlled hunt, the highest year within the last two (2) years of an outfitter's outfitted tag use. (3-20-20)T

**b.** An outfitter's proportional use is calculated by dividing an individual outfitter's base allocation by the total of the base allocations of all outfitters in the capped zone or controlled hunt zone, unit, or game management area, and then multiplying by the total number of allocated tags for the capped zone or controlled hunt. (3-20-20)T

**c.** When a calculation results in a partial tag, the calculation will be rounded up when a decimal equals or exceeds zero point six (0.6) and rounded down when a decimal is less than zero point six (0.6). (3-20-20)T

**d.** When there are remaining allocated tags after the Board has designated tags pursuant to Paragraphs a and b of this rule, the Board will designate remaining allocated tags based on the following priorities and in the following order: (3-20-20)T

**i.** All eligible outfitters whose base allocation number is zero (0) and who want to be designated allocated tags are designated at least one (1) allocated tag; (3-20-20)T

**ii.** Eligible outfitters with the fewest number of designated allocated tags have an equal number of designated allocated tags when possible; (3-20-20)T

iii. Based on a random drawing between the eligible outfitters with the fewest number of designated allocated tags provided that an outfitter is not designated more allocated tags than another outfitter that has a greater base allocation number; (3-20-20)T

iv. Based on the greater base allocation number between the eligible outfitters with the fewest number of designated allocated tags. (3-20-20)T

e. When there is a deficit of allocated tags to satisfy each outfitter's proportional use, the Board will identify the group of outfitters whose base allocation number was rounded up, and the deficit will be resolved against the outfitter whose base allocation number prior to rounding is closest to zero point six (0.6). In the event there are two outfitters with the same unrounded base allocation number closest to zero point six (0.6), the deficit will be resolved against one of those outfitters based on a random drawing. (3-20-20)T

**02. Stipulation by Outfitters.** Outfitters in a capped zone or for a controlled hunt may submit to the Board a written stipulation determining the number of allocated tags designated for each outfitter within the capped zone or for the controlled hunt. The stipulation must be signed by all eligible outfitters for the capped zone or controlled hunt. If the Board accepts the stipulation, the stipulation will be effective until the Idaho Fish and Game Commission sets the next big game season. (3-20-20)T

a. On or before November 1, any outfitter may petition the Board to withdraw from the stipulation for good cause. If the Board grants the withdrawal, then the Board will calculate and designate the allocated tags among the outfitters in that capped zone or controlled hunt according to Subsection 01 of this rule. (3-20-20)T

b. A stipulation only applies to the designation of allocated tags by the Board. (3-20-20)T

**03. Objection to Calculation.** An outfitter that believes the calculation is incorrect may object by filing a petition in accordance with the Idaho administrative procedures act with the Board along with any supporting information or documentation. (3-20-20)T

a. The Board will notify all other eligible outfitters in the capped zone or for the controlled hunt of the petition. (3-20-20)T

b. The outfitter bears the burden of establishing that the calculation was incorrect. (3-20-20)T

**04. Hardship Request.** An outfitter may submit to the Board a written request to maintain a previous base allocation number when the outfitter can demonstrate hardship, including health, act of nature, state of federal restrictions on hunting or access or other good cause that prohibited or limited the outfitter's ability to seek and accommodate clients and impacted the outfitter's use of designated allocated tags. The outfitter must provide any information requested by the Board to assist in substantiating hardship cases. The hardship request must also be approved by the Idaho Department of Fish and Game to retain the outfitted hunter tag use history in respective hunt. (3-20-20)T

**05. Change in Operating Area or Owner of Business.** When an outfitting business is sold or when an operating area is adjusted and designated allocated tags are associated with the affected operating area, the board will transfer the associated designated allocated tags to the new owner. (3-20-20)T

**058. NUMBER OF OUTFITTERS AND GUIDES LIMITED.**

Big Lost and Little Lost Rivers and the Big Wood and the Little Wood Rivers -- All reaches from headwaters to the termination of the flow of the Big Lost and the Little Lost Rivers and all reaches of the Big Wood and Little Wood Rivers are limited to a maximum of five (5) outfitters on both rivers combined. (3-20-20)T

**059. RIVER, LAKE AND RESERVOIR POWER AND FLOAT OUTFITTER LIMITS.**

The following rivers and streams or sections that lie totally or partially within the state of Idaho are open to commercial boating operations by outfitters and guides. The Board may open other rivers and streams or sections upon a petition to adopt rules under Section 67-5230, Idaho Code. (3-20-20)T
