

## STATEMENT OF PURPOSE

RS27520 / H0450

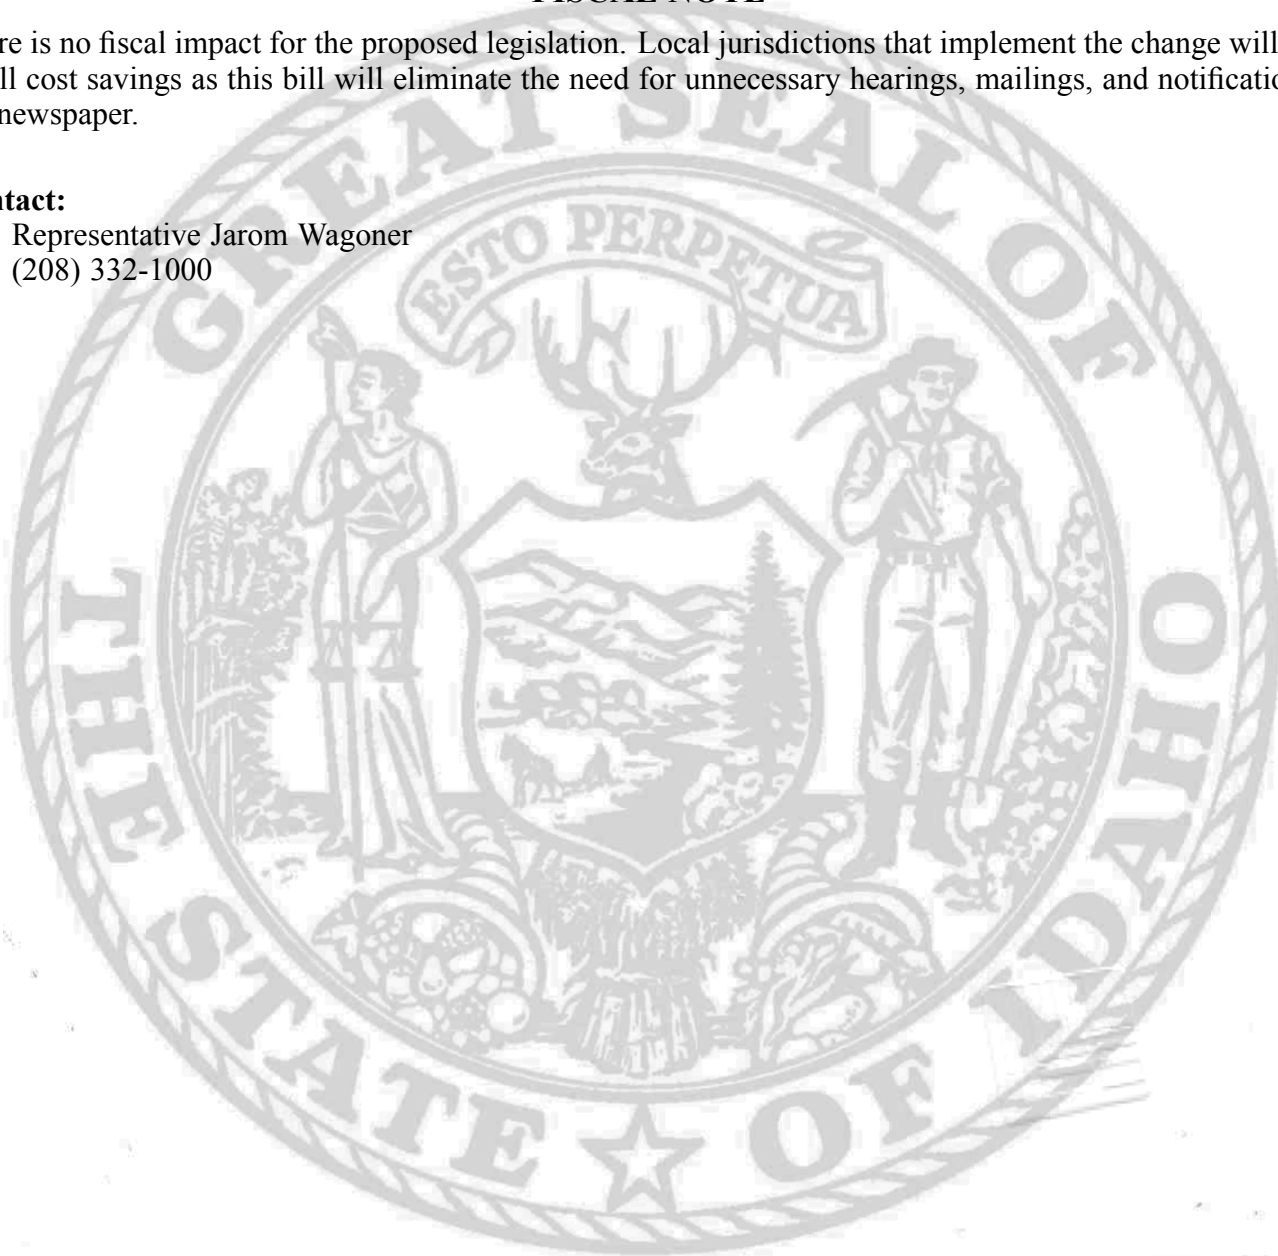

STATEMENT OF PURPOSE The proposed legislation would allow local jurisdictions to determine whether rezone and annexation applications should go thru a recommendation hearing with a planning and zoning commission or to advance straight to the governing body for a final decision. This legislation is meant to streamline this process and eliminate confusion for those property owners affected by these requests.

## FISCAL NOTE

There is no fiscal impact for the proposed legislation. Local jurisdictions that implement the change will see a small cost savings as this bill will eliminate the need for unnecessary hearings, mailings, and notifications in the newspaper.
