

STATEMENT OF PURPOSE

RS28289 / H0094

Last year, the legislature created the Criminal Justice Integrated Data System (CJIDS) and the Data Oversight Council to protect the information involved with CJIDS. Simultaneously with creating CJIDS, the legislature passed, and the Governor signed, S.B. 1409 and S.B. 1410, which moved personnel from the State Department of Education to the Board of Education. This bill allows the education representative on the council to be from the State Board of Education. This bill also allows for the election of vice-chair to assist in leading the council.
