

## STATEMENT OF PURPOSE

RS28793 / S1179

This is the FY 2022 original appropriation bill for College and Universities. It appropriates a total of \$631,419,800 and does not cap the number of authorized full-time equivalent positions. This division includes the budgets for Boise State University, Idaho State University, Lewis-Clark State College, the University of Idaho, and Systemwide Programs. For benefit costs, the bill maintains the current appropriated amount for health insurance at \$11,650 per eligible FTP, extends the holiday for the employer's sick leave contribution rate for another year, and restores funding for the employer's unemployment insurance contribution rate. The bill also provides funding for the equivalent of a 2% change in employee compensation for permanent state employees. The enrollment workload adjustment and endowment adjustments are included. The bill funds four line items, which provide \$32,790,000 for COVID-relief funding to be spent after July 1, 2021; \$400,000 to Lewis-Clark State College for the nursing program; a reduction of \$409,000 for Boise State University to remove state support for social justice programming; and \$409,000 to Lewis-Clark State College for a tuition offset for FY 2022.

This bill also includes a supplemental appropriation for College and Universities. It appropriates a total of \$49,402,500 in onetime federal COVID relief funds provided pursuant to the 2021 Consolidated Appropriation Act passed in December 2020.
