

STATEMENT OF PURPOSE

RS29201 / H0460

This legislation would end all legal abortion in Idaho, without exception. It provides legislative intent, repeals a section of Idaho code that prohibits the prosecution of abortion as murder, defines terms, directs the Attorney General to enforce State law regardless of any contrary court opinions, and provides prosecuting discretion. This legislation asserts Idaho's lawful authority to ignore the Federal Judiciary's unconstitutional abortion jurisprudence.

FISCAL NOTE

The proposed legislation will have no fiscal impact to the general fund, state, or local governments because the legislation just changes a policy.
