

STATEMENT OF PURPOSE

RS29019C1 / S1227

Consistent with the Governor's Red Tape Reduction Act this legislation eliminates the obsolete Coeur d'Alene River and Lake Commission. In 1931 the commission was created in statute but is no longer in existence. Various other State and Local agencies/organizations/commissions are now tasked with the protections of Coeur d'Alene River and Lake including the Governor's recently formed advisory committee.

FISCAL NOTE

This legislation will have no impact on the state's General fund or any dedicated fund as it only seeks to repeal unused code.
