SUBJECT: Department of Health and Welfare

IDAPA 16.03.19 - Rules Governing Certified Family Homes - Proposed Rules (Docket No. 16-0319-1501)

IDAPA 16.03.19 - Rules Governing Certified Family Homes (Fee Rule) - Proposed Rule (Docket No. 16-0319-1502)

The Department of Health and Welfare submits notice of proposed rulemaking at IDAPA 16.03.19.

The first proposed rule was developed subsequent to the Legislature's adoption of Senate Bill 1043, which exempted veterans' medical foster homes from the certification requirements of Chapter 35, Title 39, Idaho Code. The proposed rule revises the existing rule in order to be consistent with Senate Bill 1043 and also to update certification requirements for certified family homes (CFH). Negotiated rulemaking was conducted, and there is no anticipated fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to Sections 39-3505 and 56-1005, Idaho Code.

The second proposed rule is a fee rule that increases certain fees, including the application fee to become a CFH provider, which will be \$175, and the monthly certification fee for CFH providers, which will be \$30. The rule also adds a basic medication awareness training course for \$60. The purpose for the fee increase is to cover costs for the CFH program. Negotiated rulemaking was conducted, and there is no anticipated fiscal impact on the state general fund. The Department states that this rulemaking is authorized pursuant to Sections 39-3505 and 56-1005, Idaho Code.
