IDAPA 15.06.01 - Rules Governing the Idaho Public Safety Communications Commission - Temporary and Proposed Rule (Docket No. 15-0601-1601)

IDAPA 15.06.02 - Rules Governing the Idaho Emergency Communications Commission Grants - Proposed Rule (Docket No. 15-0602-1601)

(1) 15.06.01 - Rules Governing the Idaho Public Safety Communications Commission (Docket No. 15-0601-1601)

The Idaho Public Safety Communications Commission submits notice of temporary and proposed rule-making at IDAPA 15.06.01 - Rules Governing the Idaho Public Safety Communications Commission. Senate Bill 1212 (2016) changed the name of the Emergency Communications Commission to the Public Safety Communications Commission. This rulemaking makes that update to the Commission's name, corrects citations to Idaho Code, clarifies the scope of the rules and updates office hours.

The Commission states that negotiated rulemaking was not conducted because a temporary rule was necessary to conform to changes in state law. There is no fiscal impact associated with this rulemaking.

The temporary and proposed rule appears to be within the statutory authority granted to the Commission in Section 31-4816, Idaho Code.

(2) 15.06.02 - Rules Governing the Idaho Emergency Communications Commission Grants (Docket No. 15-0602-1601)

The Idaho Public Safety Communications Commission submits notice of proposed rulemaking at IDAPA 15.06.02 - Rules Governing the Idaho Emergency Communications Commission Grants. The Commission states that under the previous rule, an applicant could not amend a grant application after a grant was awarded, even if it would result in a more efficient use of funds. This rule change allows for such an amendment to a grant application. This rulemaking also adds criteria on which the priority of grant applications for equipment shall be weighed, corrects citations to Idaho Code and updates office hours and the Commission's website address.

The Commission states that negotiated rulemaking was conducted and notice was published in the June 1 edition of the Idaho Administrative Bulletin, vol. 16-6, page 31. There is no fiscal impact associated with this rulemaking.

The proposed rule appears to be within the statutory authority granted to the Commission in Section 31-4816, Idaho Code.

(3) 15.06.02 - Rules Governing the Idaho Public Safety Communications Commission Grants (Docket No. 15-0602-1602)

The Idaho Public Safety Communications Commission submits notice of temporary and proposed rulemaking at IDAPA 15.06.02 - Rules Governing the Idaho Public Safety Communications Commission Grants. Senate Bill 1212 (2016) changed the name of the Emergency Communications Commission to the Public Safety Communications Commission. This rulemaking makes that update to the Commission's name, corrects citations to Idaho Code and updates office hours.

The Commission states that negotiated rulemaking was not conducted because a temporary rule was necessary to conform to changes in state law. There is no fiscal impact associated with this rulemaking.

The temporary and proposed rule appears to be within the statutory authority granted to the Commission in Section 31-4816, Idaho Code.
