

STATEMENT OF PURPOSE

RS24129

This bill amends the water and sewer district law by providing a process for the governing bodies of a water and/or sewer district and a city to include or remove area, within a city, to or from a water and/or sewer district by resolution and/or ordinance, subject to certain minimum qualifications where there is an existing water or sewer system; and which process provides for: a public hearing, a process for special election and an option to establish residence zones for the election of directors of water and/or sewer districts.

FISCAL NOTE

No fiscal impact to the General Fund.
