

STATEMENT OF PURPOSE

RS24294

This bill amends the Idaho Board of Cosmetology's renewal and reinstatement of license statute by aligning it with Idaho Code § 67-2614, the Bureau of Occupational License's statute for renewal or reinstatement of licenses. During the 2015 regular legislative session, H 117 updated Idaho Code § 67-2614 to establish a uniform license reinstatement process. Aligning with Idaho Code § 67-2614 will simplify and standardize reinstatement of expired licenses.

FISCAL NOTE

No fiscal impact to the General Fund. The Board of Cosmetology operates solely on dedicated funds derived primarily from licensing fees. While this bill will increase the Board's reinstatement fee from \$25 to \$35, it will benefit licensees by eliminating the requirement that those with expired licenses pay a renewal fee for each year that their license was expired.
