

STATEMENT OF PURPOSE

RS24550

The intent of this legislation is to implement policy changes in regards to the foster care program. The legislation proposes to enhance court participation in the decision making process in regards to adoption choices and placement. It also outlines circumstances by which foster children can be moved from one foster home to the other.

FISCAL NOTE

This legislation is a policy change and not a program change. It does not require additional funding from the general fund or others.
