

STATEMENT OF PURPOSE

RS24639

Amend section 33-320, Idaho Code, to incorporate the Accountability and Autonomy Task Force subcommittee recommendations into the school district continuous improvement plan process. This includes the addition of definitions for terms to insure there is a common understanding of student readiness and student improvement. This includes a Career and College Readiness Score, a Career and College Readiness Improvement Score, a High School Readiness Score, a High School Readiness Improvement Score, 7th-Grade Readiness Score, and 7th-Grade Readiness Improvement Score. These scores will be applicable based on three grade bands; high school, K-8, and K-6. Improvement scores will be based on year-over-year improvement in the level of readiness produced by the school, and would be shown as a percentage of change in the applicable readiness score.

FISCAL NOTE

There would be no fiscal impact from the proposed amendments.
