

STATEMENT OF PURPOSE

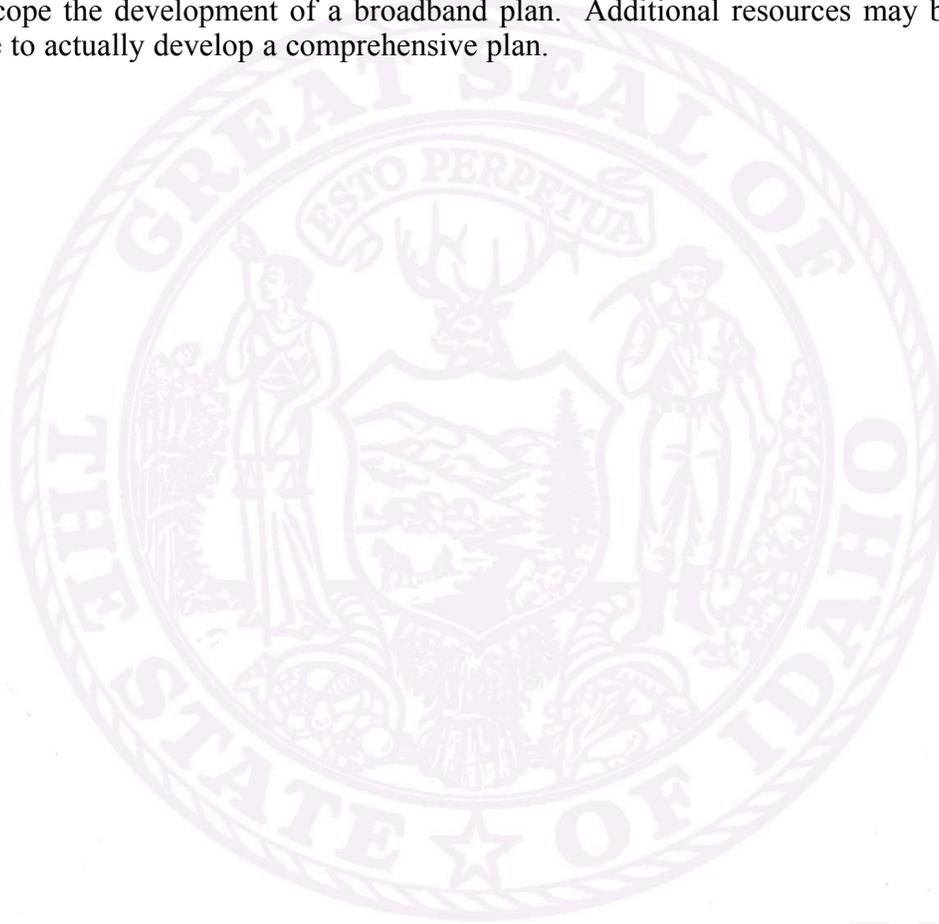

RS24756C2

This resolution, passed by the Interim Broadband Study Access Committee, calls on the Department of Commerce to develop a lead role in structuring a broadband plan. In addition, the Department is to report the plan to the Legislature during the next Legislative Session.

This plan is to include the private and public entities in any plan and to have it aimed improving the competitive structure for Idaho businesses.

FISCAL NOTE

None to scope the development of a broadband plan. Additional resources may be needed by Commerce to actually develop a comprehensive plan.
