

STATEMENT OF PURPOSE

RS24247

The purpose of this legislation is to require write-in candidates in school board trustee elections to submit five (5) qualified elector signatures from within the trustee zone. Traditional school board trustee candidates and write-in trustee candidates must meet all of the same electorate requirements except for the support signatures. Requiring write-in candidates to submit qualified elector signatures of support creates consistency and shows the write-in candidate has support from within the trustee zone.

FISCAL NOTE

There is no impact to the General Fund.
