

## STATEMENT OF PURPOSE

### RS24016

The amendment authorizes the Board to issue a professional engineering license to engineering faculty with an earned Ph.D. employed at any Idaho university without a written technical examination. The amendment also clarifies the requirements of professional examinations and clarifies the conditions of concerning reexamination for those failing on prior attempts. Fees for reexamination are removed.

### FISCAL NOTE

There is no fiscal impact to the General Fund. An annual revenue decrease of \$1,000 is estimated to the dedicated fund of this agency.
