

STATEMENT OF PURPOSE

RS24652

The purpose is to amend the Idaho Pharmacy Act by adding additional requirements before being issued a DME (Durable Medical Equipment) license by the Idaho Board of Pharmacy and adds a definition of durable medical equipment supplier. This act adds a requirement for suppliers of listed DME devices to have an accredited facility in the state or within 150 miles. It also adds that they have sufficient inventory and staff to service or repair products.

FISCAL NOTE

There is no fiscal impact to the General Fund.
