

## STATEMENT OF PURPOSE

### RS24830

House Bill 161, passed in 2015, revised several fish and game misdemeanors to infractions in Idaho Code 36-1401. This bill integrates fish and game commission rule with current statute so that violation of upland bird shooting hours on certain wildlife management areas designated by fish and game commission proclamation or rule is an infraction rather than a misdemeanor.

### FISCAL NOTE

There is no fiscal effect to the General Fund and the estimated fiscal effect to the fish and game dedicated fund is an increase of less than \$1,000 based on past history of detected violations.
