

## STATEMENT OF PURPOSE

### RS25207

The intent of this legislation is to re-direct twenty-two and one half percent from fines remitted for state motor vehicle violations from the public school income fund to the court fund. This is an alignment with historical motives of using these monies for court services.

### FISCAL NOTE

The fiscal impact is estimated to be \$1.1 million dollars to the court fund. This figure will always vary due to the number of tickets written and paid. Historically, the fund has averaged 1.1 million dollars over the past 5 years.
