

STATEMENT OF PURPOSE

RS25227

This legislation establishes a new division head within the Idaho Department of Lands to handle oil and gas conservation matters currently handled by program staff (1.34 FTP) in the Lands & Waterways Division. The division administrator will lead an oil and gas division to be created by the director. The administrator will serve the Idaho Oil and Gas Conservation Commission and must possess the qualifications necessary to successfully implement a professional oil and gas conservation program in Idaho.

FISCAL NOTE

In addition to current program staff and appropriation, the new Oil and Gas Division will require three (3.0) new full time positions and \$375,000 ongoing and \$3,900 one-time general fund support for personnel costs and associated operating expenses, to include: (1) ongoing general fund support for the new Oil and Gas Division Administrator (unclassified) in the amount of \$120,000 for annual salary and \$40,700 for benefits; (2) ongoing general fund support for an Analyst 3/Information Specialist (grade M) in the amount of \$52,300 for annual salary and \$27,000 for benefits; (3) ongoing general fund support for an Administrative Assistant 2 (grade I) in the amount of \$32,500 for annual salary and \$20,500 for benefits; and (4) a one-time capital outlay appropriation of \$3,900 for three personal computers and monitors. This bill also provides an ongoing general fund operating expense appropriation in the amount of \$22,000 for administrative overhead and \$60,000 for contracted hearing officers and professional engineering services.
