MEMORANDUM

TO: Rules Review Subcommittee of the Senate Resources & Environment Committee and the House Resources & Conservation Committee
FROM: Deputy Division Manager - Katharine Gerrity
DATE: October 04, 2018
SUBJECT: Department of Fish and Game

IDAPA 13.01.09 - Rules Governing the Taking of Game Birds in the State of Idaho - Proposed Rule (Docket No. 13-0109-1805)

IDAPA 13.01.10 - Rules Governing the Importation, Possession, Release, Sale, or Salvage of Wildlife - Temporary and Proposed Rule (Docket No. 13-0110-1802)

1. IDAPA 13.01.09 - Rules Governing the Taking of Game Birds in the State of Idaho

Summary and Stated Reasons for the Rule

The Department of Fish and Game submits notice of proposed rule at IDAPA 13.01.09 - Rules Governing the Taking of Game Birds in the State of Idaho. According to the department, the proposed rulemaking would create the administrative framework for the Fish and Game Commission to adopt Landowner Permission Hunt (LPH) seasons for turkeys in areas of the state to manage turkey depredation on private lands and to provide landowners with turkey hunting opportunities where turkey hunting is controlled.

Negotiated Rulemaking / Fiscal Impact

The department states that negotiated rulemaking was not conducted because the agency doesn't have contacts for landowners who are interested in turkey LPH, resulting in a lack of identifiable representatives of affected interests to participate in negotiated rulemaking. The department notes that there is no effect to the state general fund associated with the rulemaking.

Statutory Authority

The rulemaking appears to be authorized pursuant to Section 36-104, Idaho Code.

2. IDAPA 13.01.10 - Rules Governing the Importation, Possession, Release, Sale, or Salvage of Wildlife

Summary and Stated Reasons for the Rule

The Department of Fish and Game submits notice of temporary and proposed rule at IDAPA 13.01.10 - Rules Governing the Importation, Possession, Release, Sale, or Salvage of Wildlife. According to the department, the rulemaking would prohibit, with certain exceptions, the importation of carcasses or other parts of deer, elk or moose from another state, province of Canada, or country with any documented case of Chronic Wasting Disease (CWD) and to create additional transport prohibitions if the Idaho Fish and Game Commission designates any part of Idaho as a CWD Management Zone. The department states that the rulemaking is proposed to proactively reduce transmission risk of CWD into Idaho. The department indicates that the justification for the temporary rulemaking is to convey a benefit by managing risk of CWD entering Idaho. The effective date of the temporary rule is September 28, 2018.

Negotiated Rulemaking / Fiscal Impact

The department notes that negotiated rulemaking was not conducted because the department is unable to determine which Idaho hunters might hunt in states that have documented cases of CWD, resulting in a lack of identifiable representatives of affected interests to participate in negotiated rulemaking. There is no fiscal impact to the state general fund according to the department.

Statutory Authority

The rulemaking appears to be authorized pursuant to Section 36-103, 36-104 and 36-502, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 17, 2018.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

These provisions are adopted to proactively reduce transmission risk of CWD into Idaho.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)c, Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reason:
