

STATEMENT OF PURPOSE

RS25859

This legislation allows operators of motorcycles the ability to purchase a six (6) month only motorcycle registration for half of the cost of an annual registration as an alternative to purchasing the full year registration. Half of the cost of the annual fee would be nine dollars and fifty cents (\$9.50). The purchaser must specify at the time of purchase their preference.

FISCAL NOTE

The proposed amendment will have no fiscal impact to the general fund, any other state fund or local governments. There is no fiscal impact because the amendment just allows another option for a current system for registering motorcycles.
