

STATEMENT OF PURPOSE

RS25988

This legislation amends Section 74-124, Idaho Code, related to exemptions from public disclosure, specifically law enforcement records, by adding an additional exemption (g) which exempts disclosure of the identity of a reporting party for the crimes of child abuse, neglect or abandonment unless the reporting party consents to disclosure or the party's identity is required for any administrative or judicial proceeding.

FISCAL NOTE

There is no anticipated fiscal impact to the general fund as this amendment does not generate or expend funds. Financial impacts to law enforcement agencies related to the administrative process of redacting confidential information are anticipated to be minimal.
