

STATEMENT OF PURPOSE

RS25997

The purpose of this bill is to set guidelines to the profession of bounty hunting. It is a compromise bill where the needs of law enforcement, the general public and bail enforcement agents have been taken into account. Currently, there is no law at all that regulates the profession. This bill will rectify that.

FISCAL NOTE

There is no impact to the state general fund since no state regulatory agency is involved. There will be a small cost to local law enforcement and the courts as potential violations of the new law are enforced.
