

STATEMENT OF PURPOSE

RS26142

This legislation adds a new section to Idaho Code 58 – 157 to provide that should additional public lands be granted from the federal government to the state of Idaho that these lands shall be declared public lands and provide that the lands shall be acquired and managed for public access, multiple use and sustained yield.

FISCAL NOTE

There will be no fiscal impact on the general funds unless Congress determines to transfer federal lands to the State of Idaho. At that time there will be minimal time needed by the State Officers to receive the lands according to this statute.
