

STATEMENT OF PURPOSE

RS25612

On March 24, 2016, Concurrent Resolution (No. 149) was adopted stating findings of the Legislature and endorsing the need for a veterans cemetery in eastern Idaho. With the potential establishment of a second state veterans cemetery, this statutory amendment proposes technical corrections to several statutes (Sections 54-1144, 65-108, 65-202, and 65-204, Idaho Code) in order to provide proper reference to having one (1) or multiple state veterans cemeteries rather than to only one (1).

FISCAL NOTE

This legislation will have no fiscal impact to the General Fund or our dedicated fund. The proposed amendments provide accurate reference of existing language across each statute and do not require expenditure of funds.
