

STATEMENT OF PURPOSE

RS25620

The change to Section 20-520(1) would clarify when a social history report could be reviewed by a sentencing judge. The change to Section 20-520(1)(e) would clarify juveniles are not to be held in jail facilities for any reason and should not be placed in detention for status offenses.

FISCAL NOTE

The first change clarifies when a report is to be read by a judge and would have no fiscal impact as it will not create or alleviate any work on the part of any person or agency. The second change also clarifies a practice that does not currently occur and creates no new fiscal impact.
