

STATEMENT OF PURPOSE

RS25689

The change to Section 20-533 would clarify that the Idaho Department of Juvenile Corrections notifies stakeholders when juvenile offenders are actually released from custody as well as when the Department is contemplating doing so.

FISCAL NOTE

While this change is a housekeeping item and will mirror the Department's current practice, the statutory cost will be absorbed by the Department in the statewide cost allocation and, therefore, will have minimal cost to the public.
