

## STATEMENT OF PURPOSE

### RS25769

This is a bill to remove one restriction on the concealed carry of weapons statutes in Idaho law. Specifically, permitless carry of concealed weapons will extend to non-resident citizens who meet all other criteria to carry concealed weapons in Idaho (age, criminal background status, etc.) Whereas the Second Amendment of the U.S. Constitution protects the right to keep and bear arms without infringement, this bill protects that right for all citizens in Idaho, whether residents of Idaho or not.

### FISCAL NOTE

There is no fiscal impact to the General Fund and/or local government entities. The legislative changes do not affect the responsibilities or law enforcement or the judicial system.
