IDAPA 11 – IDAHO STATE POLICE

DOCKET NO. 11-0000-1900F

NOTICE OF OMNIBUS RULEMAKING – TEMPORARY AND PROPOSED FEE RULEMAKING

EFFECTIVE DATE: The effective date of the temporary rules listed in the descriptive summary of this notice is June 30, 2019.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted temporary rules, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections (Alcohol Beverage Control) 23-616, 23-932, 23-946, 23-1010(7), 23-1011A, 23-1330, 23-1408, (Bureau of Criminal Identification) 67-3001, 67-3003, 67-3004, 67-3007, 67-3010, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This temporary and proposed rulemaking adopts and re-publishes the following existing and previously approved and codified chapters under IDAPA 11, rules of the Idaho State Police:

IDAPA 11

- 11.05.01, *Rules Governing Alcohol Beverage Control*
- 11.10.02, *Rules Governing State Criminal History Records and Crime Information*

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These previously approved and codified rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. The Idaho State Police Alcohol Beverage Control is tasked with issuing licenses, maintaining priority waiting lists, inspecting new and existing premises, and enforcing violations of Idaho criminal statutes. The Idaho state central repository of criminal history records is an automated database of records based on fingerprint arrest records reported to BCI from Idaho criminal justice agencies. The information in the database is critical to effective decision-making at every phase of the criminal justice process. Additionally, the criminal history system is increasingly used for non-criminal justice background checks, such as employment screening and licensure. BCI also provides fingerprinting services to the public for a fee as prescribed in rule. Failure to reauthorize these rules would eliminate the ability of the Idaho State Police to carry out the statutory duties of providing public safety services to law enforcement, prosecuting attorneys, the judicial system, and everyone who travels through or resides in the State of Idaho.

The fee or charge imposed by the rules is necessary to avoid immediate danger. The fees or charges reauthorized in this rulemaking are currently existing and have been previously promulgated by the agency and reviewed and approved by the Legislature. These fees and charges are part of the dedicated fund portion of the state budget, which makes up a material portion of the FY2020 budget. The FY2020 budget has already been set by the Legislature and passed into law. That budget relies upon the existence of these fees and charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these fee rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget. The fees referenced in IDAPA 11.05.01.013.03 and 11.05.01.013.05 help to keep a fair and consistent list of applicants for the priority waiting list for future liquor licenses in incorporated cities. This rule ensures that the applicants are treated equitably and benefits the future economic status and development of business within the State of Idaho. The fees referenced in IDAPA 11.10.02 are

collected for fingerprinting and background check services provided to the public and to local and state agencies and become part of a dedicated funding source for the Idaho State Police to provide these services. Failure to adopt this fee-based rule will make it impossible for these public services to be provided. Many state and local agencies will not be able to make fitness determinations for employment or licensing as required by statute due to lack of criminal history record information gained from fingerprint-based or name-based background checks run through the ISP. Fingerprinting services offered to the general public would not be available. This rule also provides procedures for expungement of criminal history records.

FEE SUMMARY: The preceding section and the attached rules provide a specific description of the fee or charge imposed or increased by this rulemaking. This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously approved and codified in the prior rules.

- 11.05.01.013.01 – Priority list fee
- 11.05.01.013.03 – Licensing fee return provision
- 11.10.02.031 – Fingerprint and background check fees

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2020 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because of the need to adopt the rules as temporary, and because these existing chapters of IDAPA are being re-published and re-authorized. Negotiated rulemaking also is not feasible because of the need to implement these rules before they expire; the rules form the regulatory framework of the laws of this state and have been previously promulgated and reviewed by the legislature pursuant to the Idaho Administrative Procedures Act, Chapter 52, Title 67, Idaho Code; and because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the temporary and proposed rules attached hereto.

012. TRANSFER OF ALCOHOLIC BEVERAGE LICENSES.

01. Transfer of License Subject to Sanctions. The Director of the Idaho State Police may deny the transfer of an alcoholic beverage license which is subject to possible disqualification, revocation or suspension under the provisions of Title 23, Chapters 9, 10, and 13, Idaho Code, or these rules, when an action has been filed to such effect before the Idaho State Police pursuant to Sections 23-933, 23-1037 or 23-1331, Idaho Code. (7-1-93)

02. Death or Incapacity of Licensee. In the event of the incapacity, death, receivership, bankruptcy, or assignment for the benefit of creditors of a licensee, his guardian, executor, administrator, receiver, trustee in bankruptcy, or assignee for benefit of creditors may, upon written authorization from the Alcohol Beverage Control Bureau, continue the business of the licensee on the licensed premises for the duration of the license or until the business is terminated. Any person operating the licensed premises under this regulation must submit a signed agreement that he will assume all of the responsibilities of the licensee for operation of the premises in accordance with law. A person operating licensed premises under the regulation must demonstrate to the satisfaction of the Alcohol Beverage Control Bureau that he is qualified to hold an alcoholic beverage license. A guardian, executor, administrator, receiver, trustee in bankruptcy, or assignee for benefit of creditors may renew or transfer a license so held, in the same manner as other licensees, subject to the approval of the Alcohol Beverage Control Bureau. (Sections 23-908(1), 23-1005A, and 23-1317, Idaho Code). (3-31-95)

03. Authorization to Transfer and Assignment of Privilege to Renew. Any person applying to renew a liquor license who was not the licensee at the applicable premises for the preceding year, must submit with the application to renew, a written Authorization to Transfer and Assignment of Privilege to Renew signed by the current licensee. (7-1-93)

04. Temporary Permits. When application for transfer of an alcoholic beverage license has been made, the Alcohol Beverage Control Bureau, in its discretion, may authorize issuance of a temporary permit during

the review of the application, during which time the applicant for transfer may conduct business as a temporary permit holder. The permit holder, in accepting the temporary permit, is responsible for complying with all statutes and rules pertinent to the sale of alcoholic beverages. Sanctions against such permit holder, whether civil, administrative, or criminal lies with the permittee, and acceptance of the permit constitutes a waiver of any defenses by permit holder based upon the fact that the permit holder is not, technically, a licensee. The Alcohol Beverage Control Bureau may withdraw a temporary permit it has issued pursuant to this rule at any time without hearing or notice. (3-6-07)

05. Product Replacement and Credit. Any beer or wine products removed from the licensed retailer's premises by a wholesaler/distributor for quality control or public health are not considered to be a violation of Section 23-1033 or 23-1325, Idaho Code, which prohibit aid to the retailer or of Sections 23-1031 or 23-1326, Idaho Code, which prohibit extension of credit to a retailer, if: (3-6-07)

- a.** The packages or kegs are replaced with identical product and quantity; or (8-1-95)
- b.** In the instance of replacement of a partial keg of beer or wine, a credit to be redeemed on subsequent alcoholic beverage purchases by the retailer is given for the value of the unused portion; or (3-6-07)
- c.** In the instance of removal of product for which the identical product or quantity thereof is not immediately available to the wholesaler/distributor at the time of removal of the product, a credit is given. The credit shall be redeemed on subsequent alcoholic beverage purchases by the retailer; or (8-1-95)
- d.** In the case of a licensed establishment which is in operation no less than two (2) months and no more than nine (9) months of each year, prior to its period of closure, it is apparent that product will become outdated or spoiled before the date of re-opening, a wholesaler/distributor may remove product from the retailer's premises and may give a credit to the retailer. Such credit shall be redeemed on subsequent alcoholic beverage purchases by the same retailer. (8-1-95)
- e.** Credit is given to a retailer for the amount paid by the retailer at the time of purchase of the product being removed by the wholesaler/distributor. (3-6-07)

06. Expiration of Licenses. When a county has, pursuant to Sections 23-927 and/or 23-1012, Idaho Code, passed an ordinance extending the hours of sale of liquor and/or beer to two o'clock a.m. (2:00 a.m.), all liquor and/or beer licenses in that county expire at two a.m. (2 a.m.), on the first of the month of the year following their issuance. (Section 23-908(1), Idaho Code). (3-6-07)

07. Maintenance of Keg Receipts. Licensees shall retain a copy of all completed keg receipts required by Section 23-1018, Idaho Code, for a period of six (6) months. (3-6-07)

013. PRIORITY LISTS.

01. Priority Lists for Incorporated City Liquor Licenses. The Alcohol Beverage Control Bureau maintains a priority list of applicants for those cities in which no incorporated city liquor license is available. A separate list is maintained for each city. A person, partnership, or corporation desiring to be placed on a priority list shall file a completed application for an incorporated city liquor license, accompanied by payment of one-half (1/2) of the annual license fee. Such application need not show any particular building or premises upon which the liquor is to be sold, nor that the applicant is the holder of any license to sell beer. Priority on the list is determined by the earliest application, each succeeding application is placed on the list in the order received. (3-6-07)

02. Written Notification. When an incorporated city liquor license becomes available Alcohol Beverage Control offers it in writing to the applicant whose name appears first on the priority list. If the applicant does not notify the Alcohol Beverage Control Bureau in writing within ten (10) days of receipt of the notice of his intention to accept the license, the license is offered to the next applicant in priority. An applicant accepting the license shall have a period of one hundred eighty (180) days from the date of receipt of Notice of License Availability in which to complete all requirements necessary for the issuance of the license. Provided, however, that upon a showing of good cause the Director of the Idaho State Police may extend the time period in which to complete the necessary requirements for a period not to exceed ninety (90) days. (3-6-07)

03. Refusal to Accept Offer of License or Failure to Complete Application for License. An applicant refusing a license offered under this rule or an applicant who fails to complete his application may have his name placed at the end of the priority list upon his request. Should the applicant holding first priority refuse or fail to accept the license or to complete the application within the time specified, the applicant shall be dropped from the priority list, the deposit refunded, and the license offered to the applicant appearing next on the list. (3-6-07)

04. Limitations on Priority Lists. An applicant shall hold only one position at a time on each incorporated city priority list. An applicant must be able to demonstrate to the Director the ability to place an awarded license into actual use as required by Section 23-908(4), Idaho Code and these rules. An applicant for a place on an incorporated city liquor license priority list may not execute an inter vivos transfer or assignment of his place on the priority lists. For the purposes of this rule, "inter vivos transfer or assignment" means the substitution of any individual; partnership; corporation, including a wholly owned corporation; organization; association; or any other entity for the original applicant on the waiting list. An attempt to assign inter vivos a place on an incorporated city liquor license priority list shall result in the removal of the name of the applicant from the lists. An applicant, however, may assign his or her place on an alcoholic liquor license priority list by devise or bequest in a valid will. A place on an incorporated city liquor license priority list becomes part of an applicant's estate upon his or her death. (3-6-07)

05. Priority Lists Where Licenses Are Available. The Alcohol Beverage Control Bureau shall not maintain a list for a city in which a liquor license is available, nor for a city that does not permit retail sale of liquor. If, prior to the promulgation of this rule, the Alcohol Beverage Control Bureau has maintained a priority list for any such city, the list shall be abolished and all license fees returned to the respective applicants. (3-31-95)

014. CONDUCT OF LICENSED PREMISES.
