MEMORANDUM

TO: Rules Review Subcommittee of the Senate Judiciary & Rules Committee and the House Judiciary, Rules & Administration Committee

FROM: Principal Legislative Drafting Attorney - Ryan Bush

DATE: July 2, 2019

SUBJECT: Sexual Offender Management Board

IDAPA 57.01.01 - Notice of Omnibus Rulemaking - Temporary and Proposed Fee Rulemaking (Docket No. 57-0101-1900F)

The Sexual Offender Management Board has submitted temporary and proposed rules that reauthorize and re-publish the following previously approved chapter under IDAPA 57:

57.01.01, Rules Governing the Sexual Offender Management Board

These rules were previously analyzed and reviewed by the Legislative Services Office upon their initial promulgation. **However, changes from the previously approved rules are noted as follows:**

The Board is allowing Section 202, relating to a grandfathering period for certification of polygraph examiners, to expire because the Board states that it is no longer needed.

This rule change appears to be within the Board's statutory authority to promulgate rules provided in Section 18-8314, Idaho Code.

This is a fee rule. No new fees or charges, or changes to existing fees or charges, are noted in this docket.

No other substantive changes from the existing rules have been noted.

cc: Sexual Offender Management Board
Nancy Volle

*** PLEASE NOTE ***

Per the Idaho Constitution, all administrative rules may be reviewed by the Legislature during the next legislative session. The Legislature has 3 options with this rulemaking docket: **1)** Approve the docket in its entirety; **2)** Reject the docket in its entirety; or **3)** Reject the docket in part.

IDAPA 57 – SEXUAL OFFENDER MANAGEMENT BOARD

DOCKET NO. 57-0101-1900F

NOTICE OF OMNIBUS RULEMAKING – TEMPORARY AND PROPOSED FEE RULEMAKING

EFFECTIVE DATE: The effective date of the temporary rule listed in the descriptive summary of this notice is June 30, 2019.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted temporary rules, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Section 18-8314, Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This temporary and proposed rulemaking adopts and re-publishes the following existing and previously approved and codified chapters under IDAPA 57, rules of the Sexual Offender Management Board:

IDAPA 57

- 57.01.01, *Rules Governing the Sexual Offender Management Board* - with the exception of **Section 202**.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These previously approved and codified rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules. The statutory duties of the Sexual Offender Management Board include establishing standards for sexual offender service providers and certifying psychosexual evaluators, sexual offender treatment providers and post-conviction polygraph examiners. This rulemaking ensures the board is able to continue to carry out its statutory duties which creates a higher level of consistency and continuity among providers, to the benefit of sentencing courts, supervision authorities, providers, offenders and other stakeholders.

The fee or charge imposed by the rule is necessary to avoid immediate danger. The fees or charges reauthorized in this rulemaking are currently existing and have been previously promulgated by the agency and reviewed and approved by the Legislature. These fees and charges are part of the dedicated fund portion of the state budget, which makes up a material portion of the FY2020 budget. The FY2020 budget has already been set by the Legislature and passed into law. That budget relies upon the existence of these fees and charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these fee rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget. No negative fiscal impact on state general funds is anticipated with this rulemaking. Provider certification processing fees collected by the agency are deposited into a dedicated fund. No additional costs to the agency are anticipated to carry out the quality assurance processes as funding is currently factored into the agency's budget.

FEE SUMMARY: The preceding section and the attached rules provide a specific description of the fee or charge imposed or increased by this rulemaking. This rulemaking does not impose a fee or charge, or increase a fee or charge, beyond what was previously approved and codified in the prior rules. This fee or charge is being imposed pursuant to Section 18-8314, Idaho Code.

With this rulemaking, three (3) levels of provider certification have been established for psychosexual evaluators and sexual offender treatment providers, and two (2) levels of certification were established for post-conviction sexual offender polygraph examiners. The proposed application processing fee structure will be set as follows:

Seventy-five dollars (\$75) for initial certification applications and fifty dollars (\$50) for biennial certification renewal applications for: senior/approved level psychosexual evaluators, associate/supervised level sexual offender treatment provider, and associate/supervised level post-conviction sexual offender polygraph examiners.

Fifty dollars (\$50) for initial certification applications and thirty dollars (\$30) for annual certification renewal applications for entry-level provisional/supervised psychosexual evaluators and provisional/supervised sexual offender treatment providers.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2020 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because of the need to adopt the rules as temporary, and because these existing chapters of IDAPA are being re-published and re-authorized. Negotiated rulemaking also is not feasible because of the need to implement these rules before they expire; the rules form the regulatory framework of the laws of this state and have been previously promulgated and reviewed by the legislature pursuant to the Idaho Administrative Procedures Act, Chapter 52, Title 67, Idaho Code; and because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the temporary and proposed rules attached hereto.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the temporary and proposed rule, contact Nancy Volle at (208) 658-2002.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered within twenty-one (21) days after publication of this Notice in the Idaho Administrative Bulletin. Oral presentation of comments may be requested pursuant to Section 67-5222(2), Idaho Code, and must be delivered to the undersigned within fourteen (14) days of the date of publication of this Notice in the Idaho Administrative Bulletin.
