

STATEMENT OF PURPOSE

RS27082

The purpose of this resolution is to reorder and renumber the rules of the House of Representatives. This will make it easier for members to find and understand House rules by grouping the current rules together by subject matter. Several rules reference other House rules within them; these referenced numbers will be updated at this time. Lastly, current House rule 64 will be split into two rules so that each part is grouped with the appropriate topic.

FISCAL NOTE

There will be no increase or decrease in appropriations or revenues to any unit of state or local government. This is only a change to the existing House rules.
