IN THE SENATE
SENATE AMENDMENT TO S.B. NO. 1106

AMENDMENT TO SECTION 1

1
2 On page 1 of the printed bill, delete lines 26 through 28, and insert:
3 "career technical education programs will receive the same added cost unit
4 as any other eligible school on an actual approved cost basis not to exceed
5 the per-student cost for a traditional instructional delivery method. All
6 career".

AMENDMENT TO SECTION 2

7
8 On page 2, in line 34, delete ", irrespective of delivery"; in line 35,
9 delete "method,"; in line 40, following "methods." insert: "This term may
10 also apply to virtual, blended, or other career technical education pro-
11 grams."; and in line 49, following "method" insert: ", as long as the chosen
12 instructional delivery method is appropriate to the nature of the work as
13 demonstrated by participation in a capstone course that meets recognized
14 industry standards. Career technical education programs may be delivered by
15 traditional, blended, or virtual models and must meet the required elements
16 as outlined in the state standards for secondary programs. Virtual programs
17 will utilize post-capstone interviews conducted by industry professionals
18 to demonstrate technical proficiency and to satisfy face-to-face require-
19 ments. Interviews will be based on students' needs and may be conducted
20 face-to-face or electronically".

AMENDMENT TO SECTION 3

21
22 On page 3, delete lines 19 through 23, and insert:
23 "(3) The division of career technical education shall may coordinate
24 with the Idaho digital learning academy to provide approved online ea-
25 reer technical education courses to any Idaho school district develop any
26 statewide virtual career technical education course delivery. Districts
27 may choose to enroll in the course offered by the Idaho digital learning
28 academy or may use their own curriculum providers.
29 (4) The division of career education shall maintain a list of secondary
30 career technical education pathways that can be delivered by traditional
31 means or entirely online, or a combination of both methods. The division of
32 career technical education shall develop a methodology for the funding of
33 each pathway delivery type. For those pathways that are able to be delivered
34 entirely online, there shall be a presumption that they shall receive the
35 same funding as for traditional career technical education pathways; how-
36 ever, actual funding shall be based upon actual approved costs, not to exceed
37 the cost of delivering these pathways in a traditional setting.";
38 in line 24, delete "(4)" and insert: "(45)"; and in line 35, delete "(5)" and
39 insert: "(56)".

AMENDMENT TO SECTION 6

1
2 On page 8, delete lines 36 and 37, and insert: "activities or services.
3 In order to be eligible for career technical education essential compo-
4 nents funding, virtual schools may be required to offer some face-to-face
5 instruction in order to meet industry standards, licensing requirements,
6 work-based learning requirements, or other requirements set forth by the
7 board."
