TITLE 37
FOOD, DRUGS, AND OIL
CHAPTER 27
UNIFORM CONTROLLED SUBSTANCES
ARTICLE II

37-2702. AUTHORITY TO CONTROL. (a) The board shall administer the regulatory provisions of this act and may add substances to or delete or reschedule all substances enumerated in the schedules in section 37-2705, 37-2707, 37-2709, 37-2711, or 37-2713, Idaho Code, pursuant to the procedures of chapter 52, title 67, Idaho Code. In making a determination regarding a substance, the board shall consider the following:

- (1) The actual or relative potential for abuse;
- (2) The scientific evidence of its pharmacological effect, if known;
- (3) The state of current scientific knowledge regarding the substance;
- (4) The history and current pattern of abuse;
- (5) The scope, duration, and significance of abuse;
- (6) The risk to the public health;
- (7) The potential of the substance to produce psychic or physiological dependence liability; and
- (8) Whether the substance is an immediate precursor of a substance already controlled under this article.

(b) After considering the factors enumerated in subsection (a) of this section, the board shall make findings with respect thereto and issue a rule controlling the substance if it finds the substance has a potential for abuse.

(c) If the board designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor.

(d) If any substance is designated, rescheduled, or deleted as a controlled substance under federal law and notice thereof is given to the board, the board shall similarly control the substance under this act by promulgating a temporary rule or proposing a statutory amendment, or both, within thirty (30) days from publication in the federal register of a final order designating a substance as a controlled substance or rescheduling or deleting a substance, unless within that thirty (30) day period, the board objects to inclusion, rescheduling, or deletion. In that case, the board shall publish the reasons for objection and afford all interested parties an opportunity to be heard. At the conclusion of the hearing, the board shall publish its decision, which shall be final unless altered by statute. Upon publication of objection to inclusion, rescheduling, or

deletion under this act by the board, control under this act is stayed until the board publishes its decision.

(e) Authority to control under this section does not extend to distilled spirits, wine, malt beverages, or tobacco.
