IDAPA 23 – BOARD OF NURSING

DOCKET NO. 23-0101-2000F (FEE RULE)

NOTICE OF OMNIBUS RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule being adopted through this omnibus rulemaking is the adjournment date of the second regular session of the 65th Idaho State Legislature - March 20, 2020.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted temporary rules. The action is authorized pursuant to Section 54-1404(13), Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting temporary rules:

This temporary rulemaking adopts the following chapter under IDAPA 23:

IDAPA 23

- 23.01.01, *Rules of the State of Idaho Board of Nursing*

TEMPORARY RULES JUSTIFICATION: Pursuant to Sections 67-5226(1) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of this rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety, and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fees or charges being imposed are justified and necessary to avoid immediate danger and the fees/charges are described herein:

The fees or charges, authorized in Section 54-1404(8), Idaho Code, are part of the agency's 2021 budget that relies upon the existence of these fees or charges to meet the agency's obligations and provide necessary services. Failing to reauthorize these temporary rules would create immediate danger to the agency's budget, and immediate danger to necessary agency functions and services.
