

STATEMENT OF PURPOSE

RS27415 / HJM012

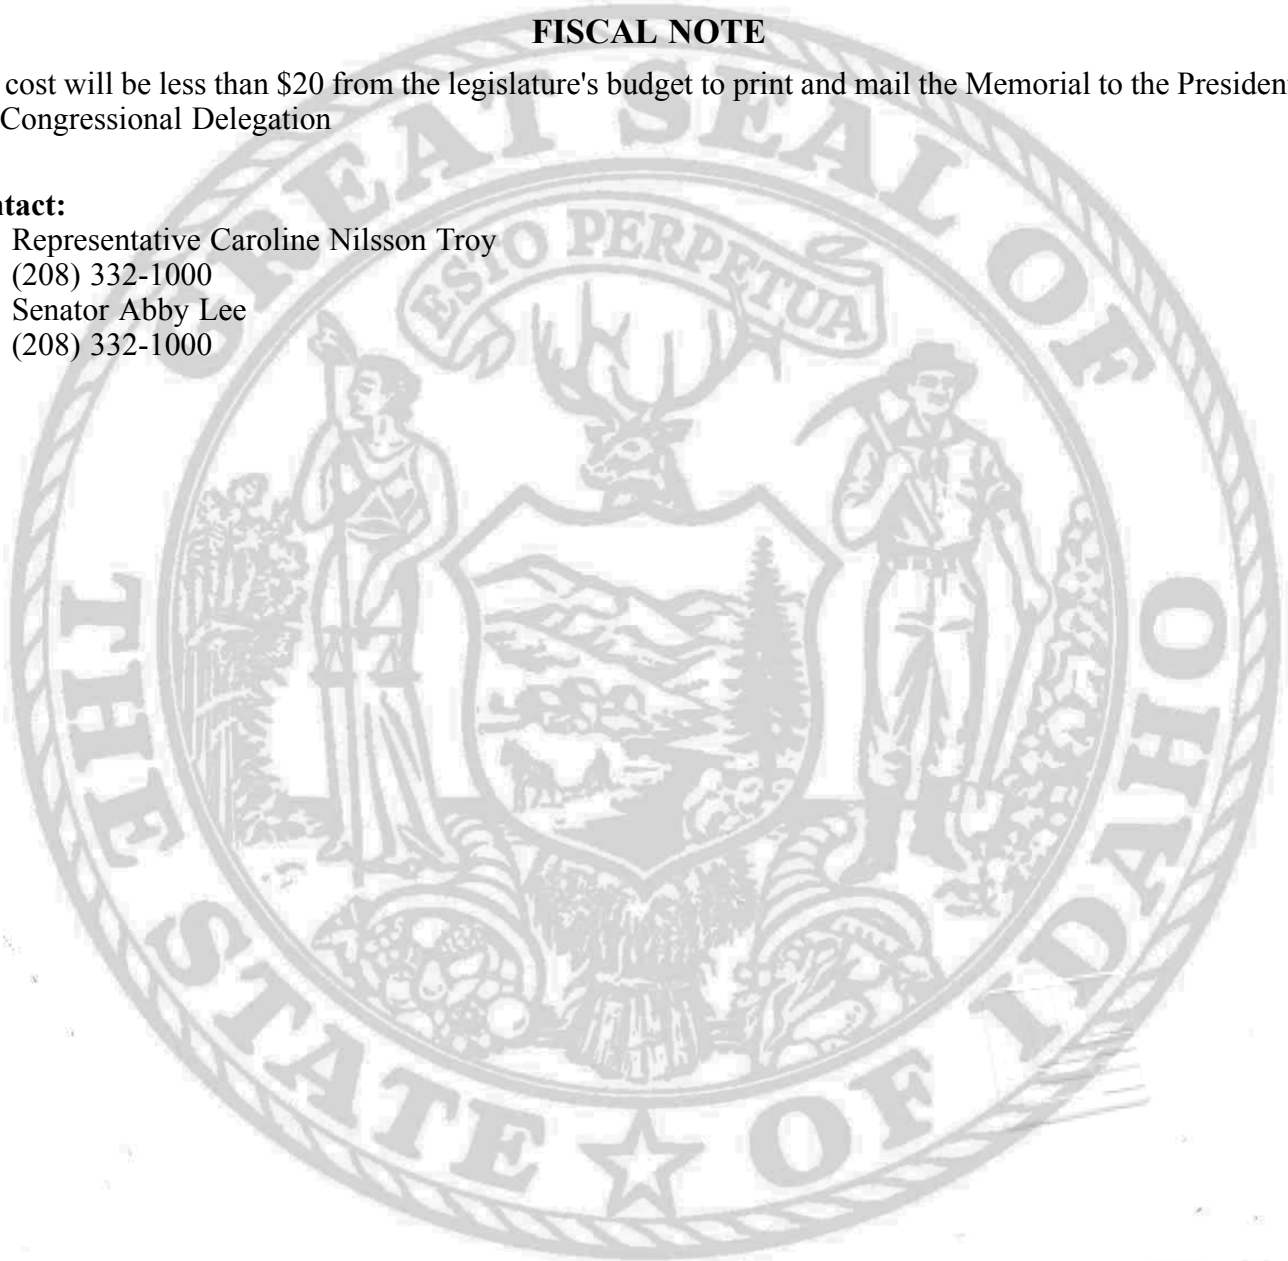

Insufficient regulation and law enforcement efforts in China and Mexico in combating trafficking has contributed to a flood of opioids into the United States. Idaho has been greatly impacted by this influx of illegal drugs. This memorial thanks our Congressional Delegation for their support of the Fentanyl Sanctions Act, and respectfully requests that the President of the United States, along with Idaho's Congressional Delegation, continue their efforts to strengthen sanctions against opioid traffickers.

FISCAL NOTE

The cost will be less than \$20 from the legislature's budget to print and mail the Memorial to the President and our Congressional Delegation
