

STATEMENT OF PURPOSE

RS27237 / S1232

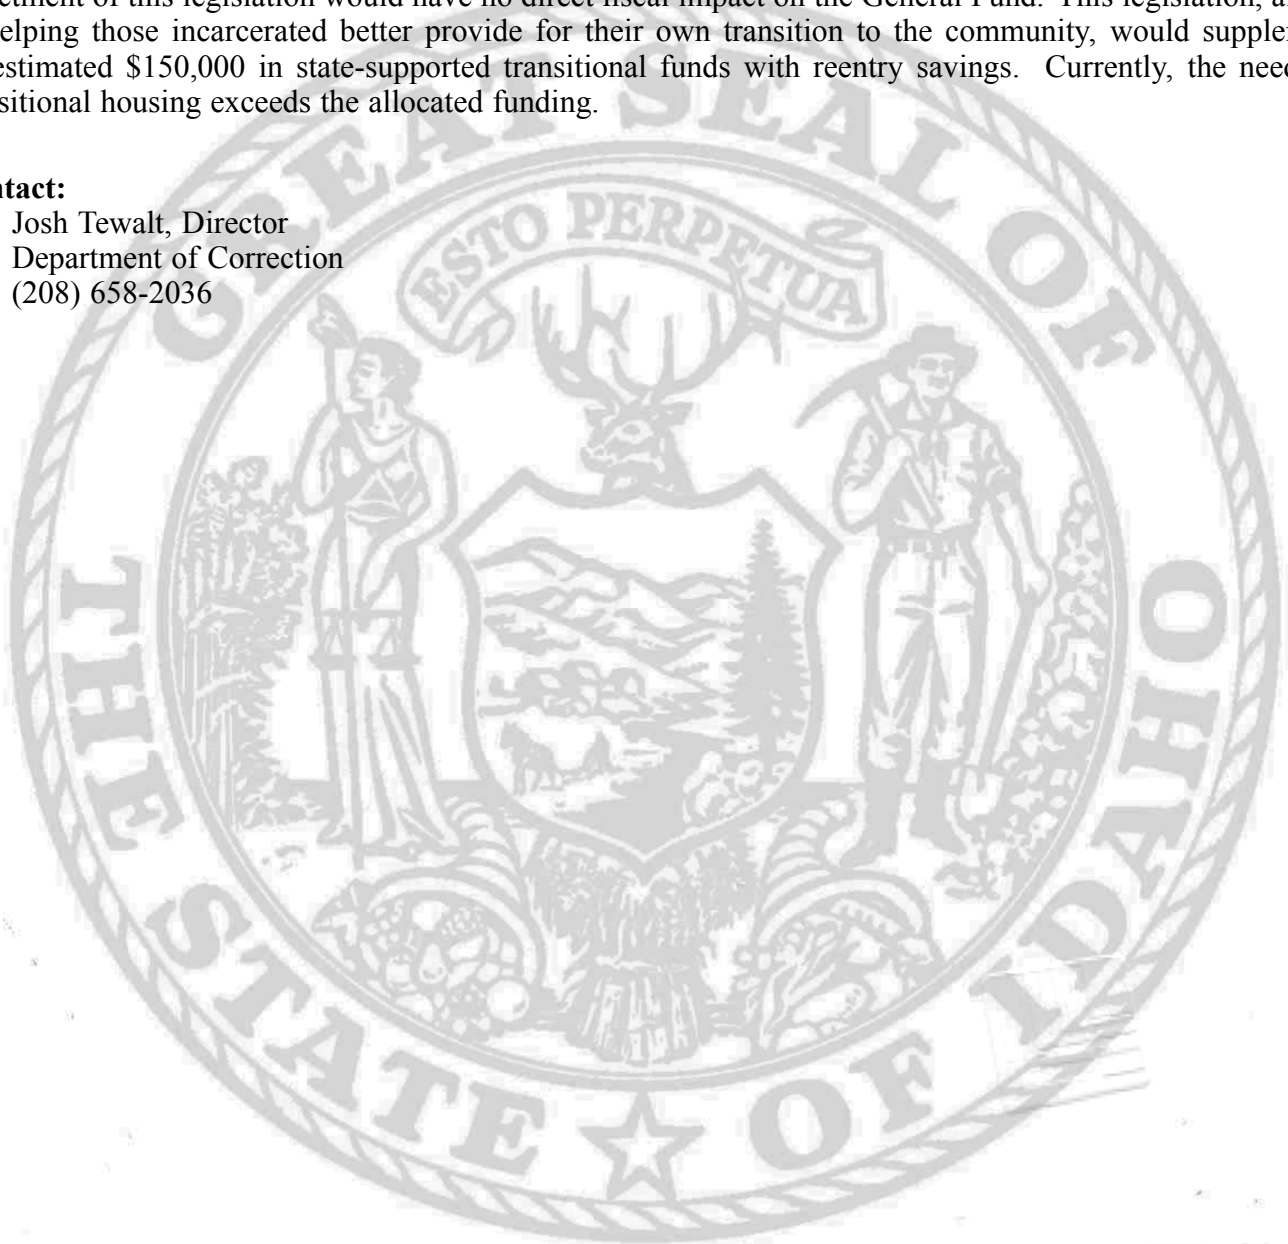

This bill will establish a mandatory reentry savings account for all individuals incarcerated in an Idaho Department of Correction (IDOC) facility. The savings will be provided to the individual, upon release from IDOC, to help aid in the transition to the community.

FISCAL NOTE

Enactment of this legislation would have no direct fiscal impact on the General Fund. This legislation, aimed at helping those incarcerated better provide for their own transition to the community, would supplement an estimated \$150,000 in state-supported transitional funds with reentry savings. Currently, the need for transitional housing exceeds the allocated funding.
