IDAPA 11 – IDAHO STATE POLICE

DOCKET NO. 11-0000-2100F (FEE RULE)

NOTICE OF OMNIBUS RULEMAKING – ADOPTION OF TEMPORARY RULE \ RESCISSION OF PREVIOUS TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rules being adopted through this omnibus rulemaking as listed in the descriptive summary of this notice is July 1, 2021. The rescission of previous temporary rules under docket 11-0000-2000F is effective July 1, 2021.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted temporary rules and rescinded previous temporary rules. The action is authorized pursuant to Sections (Alcohol Beverage Control) 23-616, 23-932, 23-946, 23-1010(7), 23-1011A, 23-1330, 23-1408, (Bureau of Criminal Identification) 67-3001, 67-3003, 67-3004, 67-3007, 67-3010, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting temporary rules and rescinding previous temporary rules:

This temporary rulemaking adopts and re-publish the following existing rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 11, rules of the Idaho State Police:

IDAPA 11

- 11.05.01, *Rules Governing Alcohol Beverage Control*; and
- 11.10.02, *Rules Governing State Criminal History Records and Crime Information*.

The Idaho State Police Alcohol Beverage Control is tasked with issuing licenses, maintaining priority waiting lists, inspecting new and existing premises, and enforcing violations of Idaho criminal statutes. The Idaho state central repository of criminal history records is an automated database of records based on fingerprint arrest records reported to BCI from Idaho criminal justice agencies. The information in the database is critical to effective decision-making at every phase of the criminal justice process. Additionally, the criminal history system is increasingly used for non-criminal justice background checks, such as employment screening and licensure. BCI also provides fingerprinting services to the public for a fee as prescribed in rule. These rules are necessary for the Idaho State Police to carry out the statutory duties of providing public safety services to law enforcement, prosecuting attorneys, the judicial system, and everyone who travels through or resides in the State of Idaho. The rescission of previous temporary rules aligns these chapters wholly with the administrative code effective 7-1-21.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(a-c) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rules is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fees or charges being imposed or increased is justified and necessary to avoid immediate danger and the fees are described herein:

The fees or charges, authorized in Sections 23-904, 23-907, and 67-3010, Idaho Code, are part of the agency's 2022 budget that relies upon the existence of these fees or charges to meet the state's obligations and provide necessary state services. Failing to reauthorize these temporary rules would create immediate danger to the state budget, immediate danger to necessary state functions and services, and immediate danger of a violation of Idaho's constitutional requirement that it balance its budget.

The following is a specific description of the fees or charges:

- 11.05.01.013.01 – Priority list fee
- 11.05.01.013.03 – Licensing fee return provision
- 11.10.02.031 – Fingerprint and background check fees

The Alcohol Beverage Control Bureau maintains a priority list of applicants for those cities in which no incorporated city liquor license is available. A separate list is maintained for each city. A person, partnership, or corporation desiring to be placed on a priority list shall file a completed application for an incorporated city liquor license, accompanied by payment of one-half (1/2) of the annual license fee. Such application need not show any particular building or premises upon which the liquor is to be sold, nor that the applicant is the holder of any license to sell beer. Priority on the list is determined by the earliest application, each succeeding application is placed on the list in the order received. (7-1-21)T

02. Written Notification. When an incorporated city liquor license becomes available Alcohol Beverage Control offers it in writing to the applicant whose name appears first on the priority list. If the applicant does not notify the Alcohol Beverage Control Bureau in writing within ten (10) days of receipt of the notice of his intention to accept the license, the license is offered to the next applicant in priority. An applicant accepting the license shall have a period of one hundred eighty (180) days from the date of receipt of Notice of License Availability in which to complete all requirements necessary for the issuance of the license. Provided, however, that upon a showing of good cause the Director of the Idaho State Police may extend the time period in which to complete the necessary requirements for a period not to exceed ninety (90) days. 03. Refusal to Accept Offer of License or Failure to Complete Application for License. An applicant refusing a license offered under this rule or an applicant who fails to complete his application may have his

name placed at the end of the priority list upon his request. Should the applicant holding first priority refuse or fail to accept the license or to complete the application within the time specified, the applicant will be dropped from the priority list, the deposit refunded, and the license offered to the applicant appearing next on the list. (7-1-21)T

04. Limitations on Priority Lists. An applicant shall hold only one position at a time on each incorporated city priority list. An applicant must be able to demonstrate to the Director the ability to place an awarded license into actual use as required by Section 23-908(4), Idaho Code and these rules. An applicant for a place on an incorporated city liquor license priority list may not execute an inter vivos transfer or assignment of his place on the priority lists. For the purposes of this rule, “inter vivos transfer or assignment” means the substitution of any individual; partnership; corporation, including a wholly owned corporation; organization; association; or any other entity for the original applicant on the waiting list. An attempt to assign inter vivos a place on an incorporated city liquor license priority list shall result in the removal of the name of the applicant from the lists. An applicant, however, may assign his or her place on an alcoholic liquor license priority list by devise or bequest in a valid will. A place on an incorporated city liquor license priority list becomes part of an applicant’s estate upon his or her death. (7-1-21)T

05. Priority Lists Where Licenses Are Available. The Alcohol Beverage Control Bureau will not maintain a list for a city in which a liquor license is available, nor for a city that does not permit retail sale of liquor. (7-1-21)T
